**Employee
Appreciation
Week 2023**

East Feliciana Public Schools are celebrating Employee Appreciation Week May 1-5! Please take a moment to join us in thanking our teachers and school staff for everything they do each day to ensure that our school system is operating smoothly and that our students are well-rounded and learning.

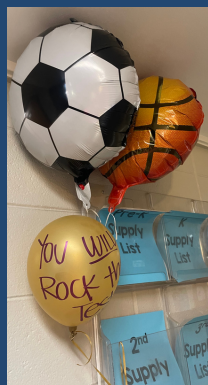

Ready to *LEAP* to success in East Feliciana Public Schools!

Students at our elementary schools received special encouragement before beginning end-of-year state testing this week.

At right, pre-K and kindergarten students at Clinton Elementary School visited with their older schoolmates who will be taking state assessments to remind them to keep their eyes on success!

Above, JES held a LEAP pep rally! The EFHS cheerleaders performed, and former JES students and current EFHS cheerleaders Kadence Harrell and Markeisha Armstead gave the students some inspirational words. The faculty cheerleaders led some cheers with the help of Rah Rah, students had a dance contest, and Ms. Phillips rode her unicycle!

At left and below, the SES LEAP pep rally featured a 5th and 6th grade step group and a 4th-6th grade cheer squad led by Mrs. Peterson. The LEAP theme at SES this year is "It's game time!"

Congratulations to East Feliciana High School Master Teacher Mia Taylor-King! She is one of a select group of educators across the state chosen for the Louisiana Department of Education's Aspiring Principal Fellowship, which prepares future principals for success in their first year as a principal. APF cohort participants will meet during the 2023-2024 school year to explore best practices with regional experts, participate in school visits, and reflect on best leadership practices. Participants will exit this fellowship with a robust leadership portfolio, the guidance of some of Louisiana's most successful principals, and a strong network of lifelong colleagues. We are proud to have Mrs. Taylor-King represent East Feliciana Public Schools in this endeavor!
