Month! [Learning resources](#) are available online!

EF Accelerate 21st Century Summer Program Update

All in-district student applicants who applied by the due date should be receiving a registration packet from their school presently! These should be turned back in to the school by May 12. If you did not submit the application by the due date, your application will be processed later as space allows.

All staff applicants for all positions should receive an update later this week!
Any questions should be emailed to accelerate@efs.schools.net.

Congratulations to Dr. Karen Williams-Ross, principal at East Feliciana High School, who just successfully defended her dissertation to earn her doctorate of education in special education at North Central University. We proud of you, and we are grateful for how you model lifelong learning for your students, teachers, and staff!

Celebrating our Team in East Feliciana Public Schools

East Feliciana Public Schools celebrated all our teachers and staff from May 1-5. Over the course of the week, our district team treated staff to homemade cinnamon rolls, lunch from Big J's BBQ, and an umbrella for a rainy day. Schools and families also celebrated school staff throughout the week. We are grateful for each of our team members!

We're also proud to join with national organizations in celebrating some of the specific jobs within our schools!

Dino-mite Drawing at SES

5th graders at Slaughter Elementary School are have been learning how to sketch dinosaurs in Mrs. Susie's art class.
