**130**

**Title:**

**School Board Legal Status**

The Board derives its authority to govern the St. Croix Central School District directly from the Wisconsin Constitution and the state statutes. Therefore, the Board shall act as an agent of the state in developing an educational program in accordance with laws governing public education and common school districts.

The Board shall consist of seven members. Members shall serve overlapping terms of three years and/or until their successors are elected and seated.
