

**Policy Number:**

**190**

**Title:**

**Recognitions for Accomplishment**

The St. Croix Central School Board believes in the concept of recognition of groups or individuals for outstanding achievements. The School Board shall recognize and commend such outstanding achievement as:

1. Outstanding service to the community and school.
2. Honors received for significant contributions.
3. Recognition deemed appropriate by the School Board.

The administration, staff, public or board members may make recommendations to the appropriate administrator.
