

KOSHKONONG

HIGH SCHOOL

No Tax Rate Increase

April 4, 2023

PROPOSITION KOSH SCHOOLS

If passed, Proposition Kosh Schools would provide funding to replace the current asphalt parking lot, upgrade the HVAC units, repair roofs, and complete other repairs and improvements to existing facilities of the District.

The District is seeking a \$750,000 general obligation bond issue that extends, but does not increase the current debt service fund levy.

For additional information about Proposition Kosh Schools, please call the District at (417) 867-5601.

Paid for by the Oregon-Howell R-III School District, Seth Bryant, Superintendent, 100 School Street, Koshkonong, Missouri
