## **Shattering The Stigma: A Honest Conversation About Addiction and Recovery**

Join us for an honest and straight forward conversation from people who have lived and suffered through a life of addiction and now work to help those who still suffer from the same disease. Topics discussed will cover where and how to find help for someone who is an addict, life in recovery and much more. We will be screening Generation Found a short film which follows one community and how they deal with the addiction epidemic facing today's youth.

### **Panelists**
