Submitted by Lisa McClain, GVMS Guidance Counselor - Grand Valley Middle School hosted its 8th Grade Reality/Career Day on February 16, 2023. This experience allowed students to look into the future and find ways to balance their income without neglecting responsibilities given to them. The preparation for the event began in the classrooms with lessons involving budgeting, check writing, spending habits, interviewing skills and real world scenarios. When students were not participating in the Reality Day, they had the opportunity to listen to career speakers within their classrooms.

Preparing for the event was a collaborative effort between Lisa McClain (GVMS School Counselor), Tracy Cope (GVMS Career Education Teacher), Staci Zappitelli (ATech Career Education Coordinator), Abbey Averill (Ohio State University Extension) and Samantha Paldino (GVMS Math Teacher).

Many volunteers made the experience possible and meaningful for the students. The volunteers included: Amanda Krempel, KellyWajda, Jim Long, Stephanie Boal, Patrick Cannon, Diane Giel, Jessica Paulic, Joanne and Bob Bevacqua, Amy Spencer, Gary Hunter, Anthony Pascarella, Tim and Melissa May, Anne Battaglia, Richard Jackson, Sherri Price, Amanda Dolan, David Hendershott, Shaun Buehner, Theresa Morrison, Amy Yopp, Breail Bennett & Tia Woodard
