

Senior Parking Spot Painting 2023-24

Grand Valley Local School District is allowing senior students to paint their own parking spot for the 2023-24 school year. This activity is aimed at improving school pride and camaraderie. Senior students can "own" a piece of the school during their senior year.

GRIDIRON CLUB FUNDRAISER: Purchasing a Reserved Senior Parking Space allows the purchasing senior student to personalize their assigned space by painting it. Funds raised will be used for the Gridiron Club. Reserving and painting parking spaces is a *privilege rather than a right*. This fundraising opportunity will benefit many students, and also provide convenience not previously afforded. "NON-RESERVED" or "General" parking spaces will continue to be available for senior students who do not wish to purchase and decorate a parking spot.

IMPORTANT: To receive a senior parking spot for painting, the senior student must present the student/parent agreement and design request completed, \$50.00 payment, and a signed parking permit form from the guidance office to the office or Mr. Nims for the reserved senior spot as well as verification of purchase of a 2023-24 school parking permit.

REQUIREMENTS:

- ***Only GVHS seniors may purchase reserved parking spot.*** Students will provide proof of purchasing a GVHS parking permit. Initial parking permit is \$12 and \$6 for renewal. Clean up must be completed NO later than **the Friday following the Graduation Ceremony.**

- Student must have cleared any financial obligations/fines prior to purchasing a senior parking spot.

DISCIPLINE:

- Any Grand Valley High School student who paints a parking spot without permission or vandalizes a senior parking spot will lose their parking privileges and face disciplinary action and consequences.
- The upkeep of the space is the responsibility of the student. If for some reason the space needs to be repainted (because of graffiti or other reason), the student should report to GVHS principal Ms. Cozad.
- If a student withdraws/removed from school due to disciplinary actions during the school year, the reserved parking space will be painted over with black water- based latex exterior paint and not resold.

- Prohibited or unapproved designs will be painted over at the discretion of the Principal. Disciplinary action may be taken, and the student may forfeit their right to a parking space and/or the right to drive on campus.
- Grand Valley High School will not be responsible for students who park in a reserved parking spot. If a student arrives at school and finds another vehicle parked in their reserved painted space, the student needs to:
 - Put a “reminder slip” on the windshield that is provided by GVHS Admin in collaboration with GVGC: *You may not be aware that this is a parking spot that is reserved for a senior. Thank you for not parking here in the future!*
 - Write down the parking GVHS parking tag number on the offender's car. ii. If there is no GVHS parking tag on their car, write down the license plate number, make, model, and color of the car.
 - Take a picture of the car.
 - The student will then need to park in an available (non-painted) senior parking space (not a reserved space) and bring the information to Mr. Nims. Do not make this a reason to be late to class!
 - If the same car parks in your spot again email Mr. Nims with the offender’s information that you have collected.

TAKING OFF THE PAINT:

- Painted parking spots will need to be painted over by the Friday following the Graduation Ceremony.
 - A day will be established for seniors to paint over their parking spots.
 - If seniors do not paint over their spots, their \$25 deposit will be retained.
 - GVGC will purchase the black paint and provide it to students in order to maintain a uniform color.

**This is a reminder that parking spaces are only reserved for students during normal school hours, not for after school hour events.*
