Subject: In-School Student Flu Shot Clinic

Each year, the flu leads to approximately 36,000 deaths and 200,000 hospitalizations. The best way to prevent the flu is to be vaccinated. Get your child a flu shot!

The time of year is once again upon us to start thinking about protecting ourselves from the flu. We are very pleased to announce that Sanford Luverne Clinic, District 671, and the Luverne Area Community Foundation will once again be offering flu vaccines to all children enrolled in grades K-12 in the District 671 school system.

We will bill your insurance for the flu vaccine if you have coverage. However, through collaboration with the Luverne Area Community Foundation, all out-of-pocket and non-insured costs will be covered for these school-aged children.

**The in-school flu shot clinic will be held on
Tuesday, October 16, 2018.**

This year, live influenza vaccine (FluMist) will **NOT** be offered. We will be offering only the injectable form (shot) of vaccine to our patients.

To receive the flu shot, the attached consent form must be completed and returned to the school by October 12, 2018.

For more information about this free flu shot clinic, visit the Hills-Beaver Creek School website at www.hbc patriots.com or contact Lois Leenderts, RN, school nurse, at l.leenderts@isd671.net or (507) 962-3240, ext 12 (high school) or (507)673-2541, ext 12 (elementary school).

Thank you!
