Introduction

On behalf of the staff and administration of Gobles Elementary School, we would like to extend a warm welcome to our students and their families for the upcoming school year. You will no doubt find Gobles Elementary an inviting and caring environment. It is critical that we all work together and communicate frequently to enhance the education of our students.

This handbook is designed to give you an understanding of what is expected of all students who attend Gobles Elementary. It summarizes many of the official policies and administrative guidelines of the Board of Education and Gobles Public Schools. It is not possible to anticipate every situation. The handbook, along with good, common sense, will allow students to receive the quality education that is their right. Our staff is dedicated to academic achievement, the development of good character, and a positive educational experience for all students. The handbook is effective immediately and supersedes any prior handbook or other written material on the same subject.

Please take the time to read and review the handbook with your student. The understanding of, and compliance with the rules, policies, regulations, and procedures in this handbook will go a long way to making the year smooth, successful, and enjoyable for all. With your help and support, your student will understand our expectations and be better prepared to meet them.

It's going to be a fantastic year! Please feel free to contact the office if you have any questions or concerns.

Registration

State law states that “a child, resident of the district, is entitled to enroll in kindergarten if the child is at least five years of age by September 1st of the school year of enrollment.” Parents must show the following original documents: birth certificate, immunization records, dental screening, and proof of residency. Without this proof, students will not be allowed to attend school. New students must have complete immunizations as required according to the Michigan Department of Community Health. Primary office hours are from 7:45 am to 3:45 pm.

Animals

No animals may be brought to school without permission from school personnel. As required by law in the state of Michigan, a responsible adult must accompany the animal to and from school. Animals may not be brought on buses by students.

Arrival and Dismissal

School begins at 8:30 am and concludes at 3:30 pm. On ½ days and Early Release Days, school concludes at 12:00 pm.

Car Riders, Walkers, Bicycle Riders- Students should not arrive at school before 8:25 am. Students arriving earlier will not be supervised and this creates a safety concern. If your child walks/rides to school, please review roadway safety precautions with them. It is important that each child uses the sidewalks and does not walk in the street or road. The school will work with buildings and grounds staff to make sure the sidewalks are as safe as possible.

Children riding bicycles must park them in the bike racks. Bikes should be locked as the school will not be responsible for any missing or stolen bikes.

Gobles Elementary School Arrival and Departure Procedures

ALL DOORS WILL BE LOCKED AT ALL TIMES. STUDENTS WILL ENTER WHEN A STAFF MEMBER COMES TO THE DOOR AND LETS THEM IN. TARDY STUDENTS WILL ENTER AT MAIN OFFICE ENTRANCE TO BE CHECKED IN BY OFFICE. PARENTS WILL NOT BE WALKING STUDENTS INTO THE SCHOOL OR TO THE CLASSROOM.

There will be an 8:25 bell when paraprofessionals will open grade-level assigned doors and teachers will be at their classroom doors to greet students and an 8:30 bell to mark the beginning of class (tardy bell).

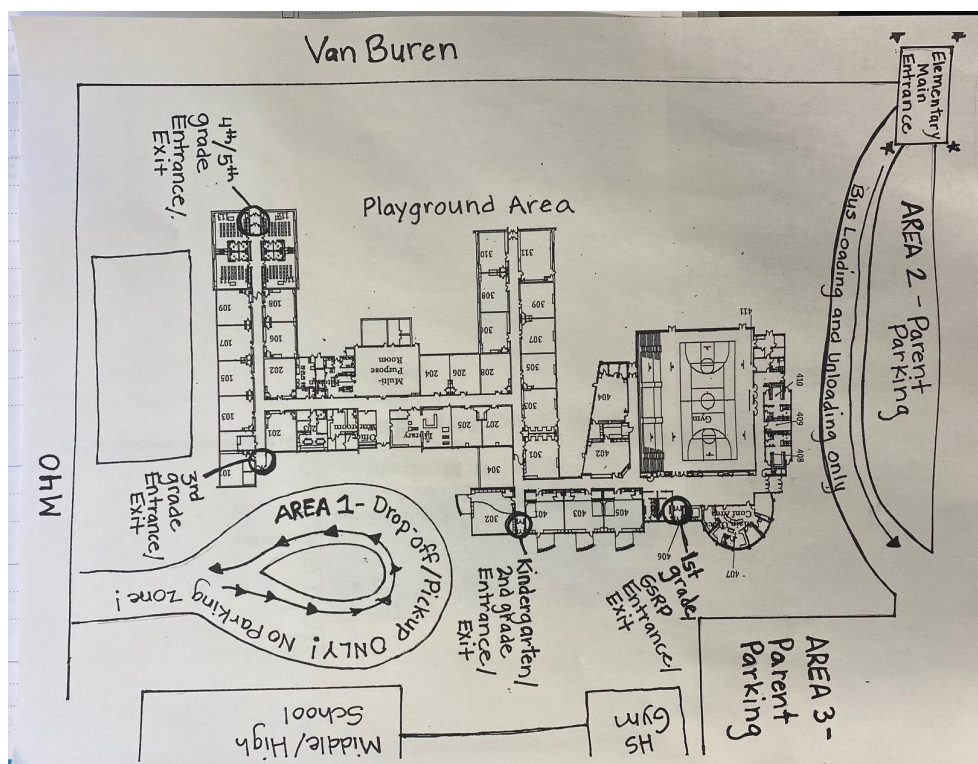

ARRIVAL

BREAKFAST	Students will enter the building @ 8:25 with a teacher and move directly to class. Breakfast tubs will be delivered to classrooms prior to the bell at 8:30 so students can enter and eat breakfast immediately.
KINDERGARTEN and SECOND GRADE	Kindergarten and second grade students will enter at the entrance between Tregloan's and Coombs' classrooms.
FIRST GRADE and GSRP	First grade and GSRP students will enter across from the h.s. gym entrance (next to Tiller's room).
THIRD GRADE	Third grade students will enter at the far entrance (near Title Math room/"3rd grade hall").
FOURTH GRADE and FIFTH GRADE	Fourth and fifth grade students will enter at the back entrance closest to their classrooms (see map)
Headstart	The Headstart students will enter at the main office door. A Headstart staff will be present.
OTHER STAFF without classes at arrival time	Any staff that is on duty, but not assigned students during arrival time should position themselves around the exterior of the building to assist with students coming, parents dropping off (outside), and keeping traffic flowing in the loop.

Dismissal

KINDERGARTEN and SECOND GRADE	Kindergarten and second grade teachers will walk their students to the exit between Tregloan's and Coombs' classrooms and walk them outside to leave.
FIRST GRADE and GSRP	First grade and GSRP teachers will walk their students to the exit across from the h.s. gym entrance (next to Tiller's room) and walk them outside to leave.
THIRD GRADE	Third grade teachers will walk their students to the far exit (near Title Math room/"3rd grade hall") and walk them outside to leave.
FOURTH and FIFTH GRADE	Fourth and fifth grade teachers will walk their students out of the back exit, closest to their classrooms (see map).
OTHER STAFF without classes at dismissal time	Any staff that is on duty, but not assigned students during dismissal time should position themselves around the exterior of the building to assist with students leaving, parents picking-up, and keeping traffic flowing in the loop.

Attendance and Truancy

The Importance of Regular School Attendance

It's a fact that students who attend school regularly learn more and are more successful than students who do not. Parents who make regular school attendance a priority also are helping their children learn to accept responsibility. That's an important lesson for success at school and life. Attendance patterns are formed early in the elementary school years. Children who develop good attendance habits in the early grades will be more likely to continue them throughout their school careers. That's important, because absent students miss out on carefully-planned sequences of instruction. They miss out on active learning experiences and class participation. They miss out on the opportunity to ask questions. They are more likely to fall behind, become frustrated, and are more likely to drop out in high school.

When a Student is Absent from School

When your child is absent from school, we ask that you call our Attendance Line (628-9441) before 8:45 am., if possible, each day that a child is absent from school.

When calling, please give the following information:

1. Your name
2. Student's name and grade
3. Date of absence
4. Reason for absence

****Absences will only be excused through proper documentation.**

School Attendance Procedures

Excused vs. Unexcused Absences

The school reserves the authority to determine whether an absence is excused, not the parent/guardian. It is very important for parents and/or guardians to contact the school regarding student absences. Attendance Phone Number: (269) 628-9441

Absences not excused within 48 hours of the student's return to school, will remain unexcused.

A student must provide a doctor's note, dental note, chiropractor's note, a note indicating that they were in attendance at a funeral, documentation indicating that they were in attendance at court or legal proceedings, and so forth, to be considered excused.

Failure to provide proper documentation within 48 hours of the student's return to school, will result in the absence being considered **unexcused**.

The proper documentation must include the student's name, the date of the absence, and the reason for the absence. All absences will be considered unexcused unless the proper documentation is provided. A parent calling in a student's absence does not excuse the absence, only through documentation can an absence be excused.

If an extended absence is unavoidable, the student should fill out and submit an **Extended/Advanced Absence Form**. Only through this form can such circumstances as family emergencies, family vacations, and extended illnesses be excused. If the absence is known in advance (family vacation, extended illness), then this form must be filled out and submitted **before** the absence. If the absence is unknown in advance (family emergency), then it must be filled out and submitted within 24 hours upon the student's return to school. This form can be found on the Gobles Elementary Web Page.

Excessive Absences Procedures

- 1. After eight unexcused absences-** A letter will be sent home requesting a meeting with the parent/guardian, and the assistant principal/principal. The principal or assistant principal will phone the parent/guardian.
- 2. After ten unexcused absences-** A letter will be sent home requesting a meeting with the parent/guardian, and the assistant principal/principal. The principal or assistant principal will phone the parent/guardian. If there are **ten unexcused absences**, a letter will be sent to the Van Buren County Sheriff's Truancy Officer and a truancy report will be filed. A call will be made to the Van Buren County Sheriff's Truancy Officer.

The Importance of Being on Time to School- Not Being Tardy

Being on time to school is very important for your child to have a proper start to the school day. Teachers generally give announcements, take attendance and lunch counts, review the day's schedule, and begin their lessons during this time. Students are expected to be in their classroom and ready to learn at 8:45, before the bell rings. Arriving after this time makes it difficult for all students and their teachers.

When a Student is Tardy

Students must be signed in at the office by an adult when tardy.

Excused tardies require documentations such as a doctor's note, counselor's note, etc.

Excessive Tardiness Procedures

3. **After eight unexcused tardies-** A letter will be sent home requesting a meeting with the parent/guardian, and the assistant principal/principal. The principal or assistant principal will phone the parent/guardian.
4. **After ten unexcused tardies-** A letter will be sent home requesting a meeting with the parent/guardian, and the assistant principal/principal. The principal or assistant principal will phone the parent/guardian. If there are **ten unexcused tardies**, a letter will be sent to the Van Buren County Sheriff's Truancy Officer and a truancy report will be filed. A call will be made to the Van Buren County Sheriff's Truancy Officer.

Research supports the unquestionable link between attendance and student achievement. Students who attend school between 85 and 100 percent of the time pass the state tests in reading and math at much higher rates than students who attend school less than 85 percent of the time. Let's work together to ensure that our students are as successful as possible!

Breakfast and Lunch

A school lunch and breakfast program is provided every school day by Gobles Food Services Department. Each grade at the elementary school has a specific time for lunch. Breakfast for all students is served from 8:30-8:45 a.m. Gobles Public Schools participate in a district-wide free breakfast and lunch program. **That means all students are offered free breakfast and free lunch every day!** If you have questions about the Free/Reduced program please speak with the principal or Eric Meloche, the Food Services director at 628-9447.

Cafeteria Rules & Guidelines

Food is to be eaten in the cafeteria unless permission to eat elsewhere is obtained from a staff member. Students who have a lunch detention may be assigned to another area to eat during the detention period. While students are in the cafeteria, we expect students to use the ROAR expectations of Respectful, Organized, Always do your Best, Responsible:

1. Use quiet voices
2. Remain seated except to clean their tables
3. Clean up after themselves

4. Become silent when directed to by an adult
 5. Remain seated until their teacher signals their class to line-up
- Students should take pride in themselves and in their school by using good manners, talking in a quiet voice, and cleaning-up after eating.

Student Behavior and Discipline

School-wide Rules and Behavior Management System

Our goal is that all students, staff, and visitors feel safe while they are at school. Our staff believes that all students have the right to come to a school that is free of teasing, bullying, harassment, and free of disruptions that interfere with the learning of any child. Therefore, Gobles Elementary has a systematic behavior management system that is in effect for the entire school (classrooms, hallways, playground, and cafeteria).

District-wide Core Values:

Leadership

Integrity

Respect

Responsibility

Pride & Tradition

School-wide Behavior Communication Form:

When a child chooses to break a school-wide rule, there is a consequence and a record is kept. Gobles Elementary will keep a Behavior Log of incidents within our Student Information System, Powerschool. This will document the behavior along with the interventions and/or consequences. **Parents will be notified when a student is “written up” for behavior incidents in Powerschool. This will come from either the teacher, staff member involved, assistant principal, or principal.**

The end of the handbook includes the adopted Gobles Elementary Code of Conduct and Behavior Matrix. This outlines student behaviors and policies regarding interventions and consequences

Each teacher also establishes specific classroom rules that reflect, clarify, and go beyond our school-wide rules.

Any action that interferes with school activities or disrupts the educational process is unacceptable. Such disruptions include delay or prevention of lessons, assemblies, field trips, or other school events. Harassment of students is prohibited and applies to all activities on school property or any school sponsored event. Making false reports of harassment to get someone in trouble are prohibited. Gestures, comments, threats, or actions to a student that cause or threaten to cause bodily harm, reasonable fear for personal safety, or personal degradation are considered bullying and are not tolerated. Any situation that a student believes to be improper harassment or bullying must be reported to the classroom teacher, counselor, or principal.

Every effort is made to maintain confidentiality during investigation of reports. However, in some circumstances a proper investigation will require the disclosure of names and allegations.

Steps to Problem Solving

Communication between home and school is encouraged. Families are encouraged to first contact the classroom teachers, and then the building principal whenever they have questions or concerns about an issue related to school.

The Gobles Public School Board of Education policy for a step-by-step approach to problem solving sets up a procedure for a parent with a question, problem, or complaint to follow:

1. Contact the teacher who is closest to the situation,
2. If unresolved, contact the building principal,
3. If still unresolved, contact the Superintendent,
4. If still unresolved or resolution is unsatisfactory, contact the Board of Education.

Notice of Nondiscrimination Policy

At Gobles Public Schools, no person shall be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity or employment on the basis of race, color, national origin, gender, age, weight, height, marital status, or physical handicap. If any person believes that s/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at school or a school activity should immediately contact the Superintendent.

Emergency School Closings

If school should be closed because of weather or an emergency, an announcement will be made on radio stations WOOD, WKZO, WSJM, WKPR, WIRX, COZY, WNWN, WHFB and WPKP. Announcements will also be made on T.V. Channels 3, 4, 8, and 41. Parents must assume responsibility for providing an alternate shelter/home if parents are absent. Please have a plan with your child in case of an emergency school closing after the students have already arrived at school, or if he or she arrives home and no one is there. The parent is responsible for providing the school with current home and/or work telephone numbers and to notify the school of any change in that information. Closings are also posted on the District's website at www.gobles.org.

School to Home Communication

Newsletters and notes are sent home from time to time. Check with your child regularly to make sure you are not missing important information about events, activities, special notices, and requests for conferences. The local Advertiser, Kalamazoo Gazette, Paw Paw Courier Leader, and HomeLink carry Gobles Schools' news. Also, check the District's website at www.gobles.org for news and updates.

Indoor Recesses

Students are kept indoors for recess on rainy days or when the "Real Feel" is below 14° F. On these days students may be allowed to go outside for 5 to 10 minutes during their recess. PLEASE BE SURE THAT A STUDENT IS DRESSED APPROPRIATELY FOR RECESS WHATEVER THE WEATHER.

Administering Medication to Students, Health, and Safety

For the safety and health of all Gobles Elementary School community members, any medication to be taken at school must be checked in at the office. School personnel may administer medication only if:

1. It is prescribed by a physician, and an Authorization Form signed by the physician and the parent/guardian.
2. Medication is in the original container from the pharmacy with directions.
3. Written permission from the parent or guardian is on file. (forms are available in the office)

All medicine must be brought to the Student Services Office or picked up from the Student Services Office by an adult and be in the original container. Special cases related to medications should be discussed with the principal. A physician's prescription or written direction is required along with a completed Authorization Form to allow a student to take over-the-counter or non-prescription medications at school. Any unused medication unclaimed by the parent at the end of the school year will be destroyed.

To protect the school community, the school's staff has the authority to remove or isolate a student who appears to be ill, has been exposed to a communicable disease, or has a highly transient pest, such as lice.

Student Security

Students may not leave the school grounds before dismissal time unless they are signed out in the office. Parents/guardians or other responsible adults listed on the information card must come to the principal's office to sign out students. Students will be called to the office for release. Parents should not go directly to the classroom without checking in at the office. Identification (driver's license) may be requested.

Students are not permitted to be picked up from their bus once they have boarded. Bus drivers are not allowed to release students until their regular stop, unless they have permission from the office. These security measures help protect everyone.

Student safety is a responsibility of the staff and they are familiar with emergency procedures for fire, lock down, tornado drills, and accident reporting procedures. Drills are conducted in accordance with State law.

The doors of the elementary building are locked during school hours. Please enter the building through the doors by the principal's office (off Van Buren Street). All visitors to the building are to register at the office and obtain a pass. If a person wishes to confer with a member of the staff, s/he should call for an appointment prior to coming to the school in order to schedule a mutually convenient time.

Clothing Labels

Whenever possible, articles of clothing (including boots and gym shoes) should be clearly labeled with the student's name. If your child is missing an item, please check the lost and found located near the Student Services Office.

Student Valuables

Students are encouraged not to bring items of value to school. Hand-held games, cell phones, MP3 players, DVD players, iPads, toys, jewelry, etc. should not be brought to school. The school cannot be responsible for their safekeeping and will not be liable for loss or damage to personal valuables.

Field Trips

A permission form will be sent home for parents to sign for field trips. Field trips that support the curriculum may be planned for each classroom throughout the year. It is a privilege to attend class field trips. A student may be denied attending a field trip if their behavior is a safety or supervision concern.

Telephone Calls

Children will not be allowed to use the office or classroom telephones to call home except in case of an emergency. Children will not be called to the phone except in emergency situations.

Computer, Network, and Internet Usage

Gobles Elementary School provides computers and access to the Internet and other resources for a variety of educational uses. All users of computers and the network are expected to access these resources in a responsible manner consistent with the educational and informational purposes for which they are provided. Access to our network is a privilege, not a right. Students must have the permission of their parent(s) shown by a signed Acceptable Use Policy on file before they may use district computers.

Testing

All students participate in DIBELS (K–5), M-Step (3–5), and STAR Reading and Math (K-5) assessments and are used to assess student growth and to inform staff of student instructional needs.

Special Services

A speech consultant, social worker, psychologist, and occupational therapist are provided through the Van Buren I.S.D. To have a child enrolled in any of these programs or to receive special accommodations, a referral must originate from the classroom teacher, a parent, or the principal. A meeting of involved parties is held to discuss a student's needs and to complete a referral for Special Education or a 504 Plan. To make a referral, contact the principal.

Reading and Math Support Services

Reading support programs for K- 5th grades through Title I are to provide additional instruction to a student whose test scores (DIBELS, MEAP, STAR and/or classroom assessments) indicate s/he could profit with intensive small-group instruction. .

Vision and Hearing Tests and Dental Screenings

The Van Buren County Health Department provides vision and hearing screening yearly to children in specific grades.

Counseling

A part-time School Social Worker provides services for individuals, small groups, and classrooms.

Parents' Association

Gobles Parents' Association has been part of the Gobles Elementary School since 1974. This is a non-profit organization, which assists and supplements the activities of the Gobles Elementary School. For the club to maintain their current level of services to both our teachers and students, they need parent interest, support, and participation. Come join them. They share a wealth of information about our schools, and they offer a variety of voluntary opportunities. The Association meets the first Tuesday of each month at 6:00 p.m. in the Elementary Library.

Volunteer Program

The purpose of this program is:

1. To provide parents and other interested citizens an opportunity for public service.
2. To afford participants an opportunity to develop an understanding of the educational process.
3. To extend to participants the opportunity to develop new and satisfying classroom learning experiences.

Those interested in further information about assisting in classrooms or with other school activities are asked to call the elementary principal, the classroom teacher, or Parents' Association. Any individual who volunteers to work in the schools or on any school sponsored activity shall submit to a criminal history check prior to being allowed to participate in any activity or program.

Transportation Information

General Information

School bus transportation is provided for eligible students and shall be considered a privilege to be enjoyed only as long as the student accepts responsibility for their own personal conduct and carefully follows all rules and regulations.

The purpose of this portion of the handbook is to provide students and parents/guardians with general information about the Gobles Public Schools pupil transportation system. Michigan Public Act 187 of 1990, the Pupil Transportation Act, outlines the laws all school districts must follow regarding student transportation. A copy of P.A. 187 is available for review during regular office hours in the Operations Office. Many, but not all, of Gobles Public Schools transportation policy, regulations, and safety rules are included in this handbook.

Gobles Public Schools operates a fleet of 7 to 8 regular education buses. Buses travel about 125,000 miles each year and transport over 400 students each day. Gobles Public Schools provides transportation services for over 400 field trips and athletic events each year.

Gobles Public Schools is proud of its fleet of buses, professional drivers and certified mechanics. In addition, the Michigan State Police inspects the fleet on an annual basis. Gobles Public Schools strives for excellence in transportation services to you, our customers.

Michigan law does not require transportation of regular education students to and from school. Please take time to read the following pages and review them with your children in order to protect your transportation privileges. It is the mutual responsibility of the parent/guardian and school district personnel to make a reasonable effort to understand and cooperate with each other regarding safe and orderly pupil transportation.

Bus Routes and Bus Stops

Safety is the most important factor in transporting Gobles students. The following information is offered to help make pupil transportation safe and successful.

1. Bus stops and bus routes are established based on safety, efficiency, and the age of students as well as the State of Michigan guidelines. Bus stop locations must avoid as much traffic as possible. Stops shall not be on a hill, before, or after a curve. Buses shall be visible for 400 feet in both directions when stopped, and stops shall be at least 200 feet apart.
2. Students should arrive at the bus stop five minutes prior to the scheduled arrival of the bus. This will allow time to catch the bus but not enough time for problems among students to arise. **Parents/Guardians are responsible for their students until the bus arrives.**
3. By state law, students **SHALL** cross at least 10 feet in front of the bus. They will receive proper crossing procedures from their bus driver.

The district reserves the right to change stops and routes when necessary. Parent cooperation is required to make sure students ride the buses to which they are assigned. This ensures that the school will know who is actually on a bus; a student can be located in an emergency; overcrowding is controlled and that other possible problems can be prevented. Walking distances and bus routes may be adjusted temporarily if necessary because of unsafe or impassable roads.

Transportation Eligibility Requirements

Walk and Ride Policy

Students may find it necessary to walk some distance to their designated bus stops or to school. In compliance with state laws, Gobles Public Schools walk/ride policy is:

- Elementary school students, grades Kindergarten – 5, may be expected to walk up to 1 mile to school or up to ½ mile to a bus stop.
- Middle and High school students, grades 6 – 12, may be expected to walk up to 1 mile to school or up to 1 mile to a bus stop.

Upon request by a parent/guardian, the district may approve transportation for an individual student regardless of residential distance from the school if a travel route is judged hazardous or if other extenuating circumstances exist. NOTE: Once a student boards a bus, they must remain on that bus until they reach their final destination.

Procedures for Changing Buses

Students will only be allowed to ride their regularly scheduled bus route(s). A regularly scheduled bus route(s) would include only scheduled home or daycare pick up and drop off locations. In order for a stop to be a “regularly scheduled” stop for your child you must complete a “Transportation Information Form” so that we are able to approve and document the bus stop on our driver route sheets. We will no longer be able to accommodate non-bus riding students. Please do not call or send notes for your child to have friends ride home with them.

Field/Athletic Trips

Students are required to return on the same bus they left on if more than one bus goes to a given destination at the same time, unless other arrangements are made between the driver and the trip sponsor/coach. If a student goes home with a parent/guardian instead of riding the bus back, the trip sponsor/coach must give authorization and visibly see the parent/guardian when releasing the student.

Parent/Guardian Responsibilities

Parents/Guardians will:

1. support safe riding practices and reasonable discipline practices.
2. model, teach and hold their children accountable for appropriate behavior.
3. make certain their student(s) arrive at the bus stop on time and be responsible for their student's behavior until the bus arrives. Parents/guardians are responsible for their student(s) going to, from and at the bus stop.
4. provide alternative transportation for their student(s) if oversized objects or live animals must be transported to or from school, or when a student's bus riding privileges are suspended for cause.
5. ensure that payment is made for damages resulting from vandalism to the bus.
6. work with school personnel to reinforce appropriate bus riding behavior.
7. have a family emergency plan if the student arrives home early or if parents/guardians are not present at the time of their arrival.
8. support emergency evacuation drills and other emergency procedures as set by the school district.
9. respect the rights and privileges of others.
10. become familiar with district policies, regulations, and principles of school bus safety.
11. be willing to show photo ID when picking up students, when requested by a transportation staff member.
12. notify the Operations Office and appropriate school office promptly of any address or phone number changes.

Student Responsibilities

Students will:

1. observe appropriate classroom behavior to protect their riding privileges.
2. be courteous to others, demonstrate responsible citizenship through positive social interactions while on the bus, use no profanity or be verbally abusive.
3. not eat, chew gum, drink, smoke, or possess illegal substances, weapons or obscene materials on the bus.
4. cooperate with the bus driver and follow the bus driver's instructions the first time they are given.
5. load on the bus single file and remain seated while the bus is in motion. The aisle must remain clear of feet, books, and other items.
6. extend nothing, including head, hands and feet out of the bus windows. Open windows only with permission, and then only half way down to the "black line".
7. be responsible for intentional damage to the interior or exterior of the bus and understand and agree s/he will be charged for such damages.
8. display proper respect for the rights and comfort of others on the bus.
9. be on time at bus stops and stay off roadways while waiting. **Buses cannot wait for tardy students.**

10. cross 10 feet in front of the bus at all times.
11. limit objects that are brought on the bus to those items that can be safely held by the student. Do not bring or use any items on the bus that could affect the health, safety, and security of any passenger. Examples: scooters, skateboards, tubas and live animals may not be transported on the bus.
12. realize that any driver distraction is potentially hazardous to the safety of all passengers. Throwing items is unacceptable and noise levels must be kept to a minimum. All persons are to remain silent at railroad crossings.
13. not use radios, walkmans etc. on the bus, this includes athletic and field trips.

Kindergarten and Special Education Students

In addition to the previous responsibilities, the following procedures have been established in order to provide for the safe and orderly transportation of students who may have difficulty communicating information or making appropriate personal safety decisions.

Responsibilities

Parents/guardians/childcare providers will:

1. have the student ready at least five minutes before the bus's arrival time.
2. be at home when the bus arrives at the student's home. If not, the bus driver will take the student back to school. The parent will be called and be responsible for picking up the student in a timely manner.
3. call the Operations Office if the student will be absent. If the student is absent for three consecutive days and the Operations Office does not receive a phone call, the bus will not stop again until the parent/guardian calls to resume transportation.
4. notify the Operations Office and appropriate school office promptly of any address or phone number changes.
5. participate in the IEP meeting that decides the student's unique transportation needs.

Drop Off Release Forms

When students are returning home, grades 1 – 5 will only be released from the bus if a parent or guardian is visibly present and acknowledges the driver's presence. Parents/guardians may have their children in grades 1-5 released at the drop off point regardless if anyone is present by submitting a signed "Student Drop Off Release" form to the Operations Office. Students in grades 6 – 12 may be released at their designated drop off point at any time. If there are multiple children in a family, all students may be released without a parent or guardian present only if one of the members of the family is in grades 6 – 12. A parent, guardian or childcare provider must be seen every time a developmental kindergarten or kindergarten student is dropped off by his/her self or when s/he is not with a sibling in grades 6 – 12.

Student Crossing Procedures

Please review these important safety procedures with all of your children. Everyone needs to know not all cars stop as required by state law, even when the red lights are flashing on school buses.

When crossing the street to board the bus:

1. Students will wait in a group at the designated bus stop at least 10 feet away from the edge of the roadway.
2. Drivers will hold up the crossing paddle with the "red circle (indicating "stop")" facing the student. The driver will turn the paddle around to the "black on yellow smiley face" side when it is safe to cross the street. If it is dark, the driver may turn on an inside light to be seen easier.
3. Students will proceed directly across the road, always staying at least 10 feet in front of the bus and board the bus. Stay out of the "DANGER ZONE".
4. Do not stop in the middle of the street or cross behind the bus.
5. If the driver blows the horn, it means to "Freeze" and to look at the driver for further instructions.

When crossing the street after leaving the bus:

1. Student's will exit the bus and take 10 giant steps in front of the bus staying on the side of the street. Stay out of the "DANGER ZONE".
2. Students will stand in a group and look to the driver for instruction to cross.
3. Drivers will hold up the crossing paddle with the "red circle (indicating "stop")" facing the student. The driver will turn the paddle around to the "black on yellow smiley face" side when it is safe to cross the street. If it is dark, the driver may turn on an inside light to be seen easier.
4. Students will proceed across the street.
5. Do not cross behind the bus.
6. If a paper or article goes under the school bus, always ask the bus driver for help. Nobody will be allowed to crawl under the bus to retrieve an item.
7. Do not get mail from roadside mailboxes until after the bus leaves the stop.
6. If the driver blows the horn, it means to "Freeze" and to look at the driver for further instructions.

Gobles Elementary School Contract

We request that parents/guardians read this handbook carefully, discuss it with their child, and support us as we enforce the expectations that we deem to be essential to the welfare of our students and our school.

As a Gobles Elementary School community member, I will be a respectful, positive group member who is honest, punctual, open-minded, kind, and responsible. These expectations are in effect any time I am on school property or participating in any school sponsored activity.

I understand that as a Gobles Elementary School community member if I do not meet the expectations outlined in this handbook to maintain a safe and positive environment, I may receive one or all of the following consequences (consequences are not listed in any particular order):
