Dear Willingboro Family,

Pursuant to N.J.S.A. 18A:7C-6.6 all school districts are required to provide information for State assessments and commercially-developed standardized assessments that will be administered for the school year. This information reflects all current dates/requirements as provided by the New Jersey Department of Education through October 1, 2018. These dates and/or requirements are subject to change by the New Jersey Department of Education. If changes do occur, the district will inform the community in a timely and thorough manner.

The standardized assessment information provided includes:

- The subject area of the assessment and grade levels covered by the assessment
- The date or range of potential dates for the administration of the assessment
- Information on how and when the student and his/her parent or guardian can access both sample questions and answers to the assessment

Attached, please find the Willingboro Public School District standardized assessment calendar for the 2018-2019 school year.

Yours in Education,
