Grade Point Average, Class Rank, and Class Honor Roll

The Superintendent shall maintain a uniform process for secondary schools to calculate, on at least a yearly basis, each student's grade point average and class rank, as well as an honor roll for each class.

Awards and Honors

The Superintendent shall maintain a uniform process for presenting awards and honors for outstanding scholarship, achievement, and/or distinguished service in school activities in such a way as to minimize bias and promote fairness. The Superintendent shall supervise the selection of the recipient(s).

Junior High students will be recognized and presented a Board Scholar Award for earning all A's in the following subjects for one quarter: Language, Literature, Math, Science, Social Studies, Exploratories, and P.E./Health. Students who earn a Board Scholar Award all four quarters in one academic school year will be recognized and receive a Board Scholar Plaque.

In addition to other awards, the Superintendent shall maintain a uniform process for identifying a high school senior as a valedictorian and one as a salutatorian. Beginning with the Class of 2018, a Valedictorian and Salutatorian will no longer be recognized at graduation. Instead, students with a cumulative GPA between 3.5 and 3.99 will be recognized as "Graduating with Honors" and students with a cumulative GPA of 4.0 and above will be recognized as "Graduating with Highest Honors."

All donations for awards, honors, and scholarships must receive the School Board's prior approval.
