

## Davis County Responsible Digital Use Agreement

I understand that using digital devices (whether personal or school-owned) and the Davis County Community School District network is a privilege, and when I use them according to these Responsible Use Guidelines I will keep that privilege.

I will:

- Use digital devices, networks, and software in school for educational purposes and activities
- Keep my personal information (including home/mobile phone number, mailing address, and user password) and that of others private
- Responsibly and carefully handle and use digital devices and/or equipment
- Continuously learn about and engage in practices that demonstrate internet safety and digital citizenship
- Show respect for myself and others when using technology including social media
- Give acknowledgement to others for their ideas and work
- Report inappropriate use of technology immediately.

I understand that privileges come with certain responsibilities. I further understand that the privilege of using digital devices (whether personal or school-owned) can be suspended at any time if I use technology in an irresponsible manner.
