Frankfort CUSD #168 is aware of the arrest of an individual who is awaiting arraignment who had worked as a substitute teacher in District schools during the spring semester. That individual has not worked in the District since the start of the investigation. The District has cooperated with local law enforcement and state child welfare agencies as they continue their work on the case. As we continue to ask that “if you see something, say something,” we will continue to work each day to provide for our students’ education in a safe environment.
