

Knight University – Elementary School

Silver Creek Elementary School is excited to announce another session of KNIGHTU. Knight University is a collection of deeper learning courses for students currently in grades 2, 3, 4 and 5. The courses are designed around teachers' individual passions.

For this session, courses will run **after summer school** from **12:00-1:30 PM** on either **Mondays and Wednesdays OR Tuesdays and Thursdays**, depending on enrollment. Knight U will be in session **July 17th-August 10th**. Courses will be filled on a first come, first serve basis, as spaces are limited. **Please fill out and return the registration part of this form to the Elementary School by June 30th. You will find a box located outside the Elementary lobby that you can drop them in. You can also sign up by using the link found on the school's website (www.silvercreekschools.org), or by emailing it to the Knight U Coordinator. (See the back for her name and email address).**

Students in Summer School will have KnightU after lunch. *Students not attending Summer School may ride the bus or be dropped off for KnightU.* All students participating in KnightU may ride the 1:30 PM afternoon bus home or be picked up at 1:30 PM. More details will be provided as soon as possible.

Dependent on availability and enrollment, students may be able to take two courses if offered on different days. All classes and days offered will depend upon enrollment. Just as teachers are teaching a topic, they are passionate about, students need to be interested and want to learn about that topic.

Summer '23 Course Catalog

Scrapbooking 101

with Mrs. Tornow

Join in on a fun adventure as we put together scrapbooking pages that tell a story and memorialize photos or special memories that mean a lot to us! Together, we will learn the art of putting together a cohesive scrapbooking page with borders, stickers, and photos. We will practice special handwriting to title our pages and describe the events that are included. Students will be able to bring in photos from home to include in their scrapbook as well as take some photos during our sessions to include on pages. I can't wait to see you there!

Volleyball 101

with Miss Mohan

Bump, set, and spike your way to volleyball 101 this summer to learn all about volleyball. Do you want to play volleyball when you're older? Come join and we will get a head start in learning cool drills and different rules of the game.

Theater & Playwriting

with Miss O'Connor

Lights, camera, action! In this theater class, students will have the opportunity to learn about some of the fundamentals of acting and stage presence. These skills will include scene acting, displaying emotions based on a particular scene, building confidence in using the learned skills, and playwriting. Students will work together to write their very own play. At the end of the Knights U program, they will have the opportunity to perform it for a live audience!

Writer's Workshop

with Mrs. Westlund

Do you like to write? Mrs. Westlund loves to write! In the Writers' Club, we will develop our writing skills. We will play in our imaginations and create special journals to capture our thoughts and ideas. Together, we will share and celebrate our writing.

KNIGHTU University Registration Form

Student Name: _____

Grade: _____ Is the student attending summer school? Yes or No

Parent/Guardian Name: _____

Parent/Guardian Phone Number: _____

Parent/Guardian Email: _____

Allergies/ Medical Alerts: _____

_____ I will drop my child off at 12:00 PM: Yes or No
