Crawford Public Schools

August 2022

Back to School Issue

A Big WELCOME BACK!

The Vision of Crawford Public Schools is to graduate students who will become lifelong learners with the ability to be successful in life.

2022-2023 School Year:

Once again, we will have some new faces and/or some familiar faces in new positions for the start of the 2022-23 school year. Many schools are struggling to fill positions and we not only filled all positions, but I believe we have filled our positions with quality people.

Over the past two years, we have implemented many changes and/or upgrades to Crawford Public Schools. These include a new website (Apptegy); a new student information system (Infinite Campus); a new accounting system (SUI); I-pads in the lower

elementary; Chromebooks in grades 3-12; and district-wide PBIS. In the past eight months, Mobius installed a new IP Phone System, intercom speakers in every room, and new door access points.

Our Principals implemented a Herds concept where students from all age levels were placed in small groups and these groups would meet periodically throughout the year. The Herds were very successful and are helping to develop a sense of family throughout the school system.

I am excited about these upgrades and will continue to look for ways to make our school better during the 2022-23 school year and beyond.

Eugene "Mo" Hanks,
Superintendent

Have a Great 2022-23 School Year!

Mr. Darin Lovercheck
7-12 Principal

It's the beginning of August and I am fired up about the start of another school year as a RAM!!! This is going to be my 3rd year being a part of the Crawford school and community. Other people ask me how I like it here, since I lived my entire life up to now, in the eastern part of Nebraska. I tell them emphatically that I love the students, staff, parents, and community members. This year is not going to change my opinion.

Here is my Top Ten list for this year. Top Ten Things I Am Looking Forward To:

10. Getting back into the school routine
9. Beautiful sunrises, sunsets, and scenery
8. Improving our curriculum
7. Learning and growing as an administrator
6. Meeting with parents and community members
5. Attending activities
4. Working along with the staff to foster supportive environment
3. Meeting the new students and staff
2. Getting to know the students and staff better
1. Helping the students mature, grow, and learn

I am excited about the direction Crawford High School is moving and want to do whatever I can to continue improving the school. If you have any ideas, suggestions, or thoughts on how to do this, please contact me by emailing, calling, or stopping in for a visit. Visiting with parents and community members is one of my favorite ways to stay connected. This is an exciting time of year, and remember,

It's A GREAT Day To Be A Ram!!!

Mr. Lovercheck
7-12 Principal
Crawford Public Schools

It is my pleasure to welcome everyone back to the 2022-2023 school year at Crawford Elementary School. I hope everyone had a wonderful summer and is ready to start the year!

The staff and I are excited to have the students back in the hallways and classrooms and can't wait to welcome them with energy and excitement for learning in the year ahead. We want each student to feel welcomed and connected as a part of the Crawford Elementary Family. It is also our goal to challenge each student to grow in his/her academic abilities and reach goals to prepare them for their future.

This year, school will be dismissed at 12:30 p.m. on Friday afternoons to allow staff time for professional development that will focus on curriculum and preparing engaging lessons, activities, and assessments.

We will continue to use PBIS (Positive Behavior Interventions and Supports) as a foundation to build a positive school culture where every student feels safe and supported. As a staff, our goal is to focus on the positive and PBIS will remain our number one priority. However, there will be a defined consequence ladder outlining consequences, when needed, to help students take responsibility and show accountability for their actions. Communication between the school and families will remain a priority in order to help all students be successful socially, as well as academically.

We invite you to visit our school website and Infinite Campus Portal often to view information. We will also continue to utilize the Remind App and the Crawford Elementary School Facebook Page.

I am honored to serve as the Principal of Crawford Elementary School where students, teachers, staff, and parents care for each other and strive to build positive relationships that support academic and social growth. Please feel free to contact me at (308) 665-1928 or keri.homan@cpsrams.org.

Once again, Welcome back! Let's make it another great day to be a RAM!

ALWAYS BE YOURSELF, UNLESS YOU CAN BE A
RAM...THEN ALWAYS BE A RAM!
MRS. HOMAN, PRINCIPAL
CRAWFORD ELEMENTARY SCHOOL

Meet the New Crawford Public School Staff for 2022-23

Trent Grizzle
PE/Health Teacher

Mr. Trent Grizzle is a native of Fairbury, Nebraska and recent graduate of Chadron State College. He is very familiar with the students and staff here at Crawford since he student taught under Mr. Rick Barry this past spring. He will now be replacing Mr. Barry as the K-12 PE/Health Teacher and Head Football Coach. Mr. Grizzle also oversaw the summer strength and conditioning program for our students.

In high school, Mr. Grizzle was an all-state football player, state wrestling qualifier, and medalist in the shot put at the state track meet. In college he played four years of football for the CSC Eagles as an offensive lineman.

Mr. Grizzle is excited to begin his teaching career in Crawford and equally excited to take over the head football coaching duties and officially become a Ram.

Hi Crawford Public Schools! I'm MiaKayla Koerber and I am the new 7th-12th agriculture teacher and FFA advisor. I grew up just a few miles down the road, in Chadron. There I was an active FFA member and found my passion for agriculture. I recently graduated from the University of Nebraska - Lincoln in December 2021 with a bachelor's degree in agricultural education. This summer I began working towards my masters degree in curriculum and instruction. For those of you who I have met, through my time at the Dawes County Extension Office, I look forward to continuing to work with you. For those of you who I haven't met, I cannot wait to meet you and begin working together!

MiaKayla Koerber
Agricultural Education

Tamara Mallery
K-12 Art Teacher

My name is Tamara Mallery and I will be teaching the Art classes at Crawford Public Schools in both the Elementary and High School. I am originally from Kentucky and graduated from Northern Kentucky University. I moved to Crawford with my husband in December of 2009. We have four children and all four will be attending the elementary school this fall. I am looking forward to this new experience!

Meet the New Crawford Public School Staff for 2022-23

My name is JoAnn Neel and I would like to introduce myself as the new kindergarten teacher here at Crawford Public Schools. This will be my first year teaching but I was fortunate enough to student teach here in Crawford last fall! I am originally from McCook, Nebraska. In my spare time I enjoy spending time with family, traveling, hiking, and love to country swing dance. In December of 2021, I graduated from Chadron State College with honors and received my Bachelor's Degree in Elementary Education. This spring I started my masters program in Curriculum & Instruction to become a reading specialist. I am thrilled to be joining such an amazing team and community, and look forward to getting to know all of you!

JoAnn Neel
Kindergarten

**Jason Van Beek - Facilities,
Grounds, and Transportation**

Hello my name is Jason Van Beek. I am the new Facilities, Grounds, and Transportation Director. My wife Julie also works at Crawford Public School, in the elementary library. My daughter Kristin currently lives in Lincoln but will be moving to Rapid City soon to start a new job at the Outdoor Campus. She will also be starting her master program this fall. Levi graduated from Crawford Public Schools this past May and will attending Chadron State College in the fall, majoring in Wildlife management. We moved to Crawford in the summer of 2018, after I retired from the City of Sioux Falls, SD as a firefighter. I am currently an active member of the Air National Guard out of Sioux Falls, SD. I have been on a few military deployments. In my spare time I like to hike, camp, do projects around the house, or go horseback riding. I have already enjoyed my time at Crawford Public Schools and am looking forward to many more years.

Lauren Morgan
High School Custodian

Crawford Public Schools gained two new staff members during the 2021-22 school year. Lauren Morgan (left) is our new high school custodian and Brandy Walden (right) is our new head cook. Both ladies have done an awesome job and have been a welcome addition to our staff!

Brandy Walden
Head Cook

Changes to the School Nutrition Program for 2022-23

On June 30, 2022, the Federal Government discontinued the universal free meal program for students. Students will once again be paying for meals during breakfast and lunch unless they qualify for free or reduced meals. Therefore, we are encouraging all families to fill out paperwork for free and reduced meals. The paperwork will be included in student packets at the beginning of the school year and the paperwork needs to be turned back into the school by Thursday, September 1st. For the past two years, there has not been a need to set meal prices; therefore, there will be increases and the new prices follow:

Breakfast Prices:

Student Breakfast	\$2.00
Adult Breakfast:	\$3.00
Extra Breakfast Entrée:	\$1.40
Extra Milk:	70¢

Lunch Prices:

PK-6 Lunch	\$3.05
7-12 Lunch:	\$3.15
Adult Lunch:	\$4.00
Extra Lunch Entrée:	\$1.75
“Grip & Go” Drinks:	\$1.50

Together We Transform Lives

TEAMMATESSM

MENTORING of CRAWFORD

TeamMates is a school-based mentoring program that was started by former Nebraska Head Football Coach, Tom Osborne, and his wife Nancy in 1991. The program matches an adult mentor with a student mentee in an effort to get another caring adult in the lives of the students in the program. The program takes place on school grounds and during the school year. Mentors come to school and meet with their mentee either at lunch time or when it is convenient for the mentor. Students in grades 3-12 are eligible for the program and it would be great to have a mentor for all students. However, the biggest obstacle is getting enough adults to serve as

mentors. If you are interested in becoming a mentor and/or would like more information, you can **contact the school or go to teammates.org**

The mission of TeamMates is to positively impact the world by inspiring youth to reach their full potential through mentoring.

Mentoring in the TeamMates Program is a very rewarding experience for both the Mentor and Mentee. Building positive relationships is not only healthy for everyone involved, but it helps the students involved to reach their full potential. All it takes is a commitment to meet for 30 to 60 minutes a week during the school year.

Schedule Changes from Last Year to This Year

For the 2022-23 school year, preschool classes will be on Monday, Tuesday, Wednesday, and Thursday. No classes on Fridays. The actual times will remain the same: three year old students will meet in the mornings from 8:00 am to 11:00 am and four year old students will meet in the afternoons from 11:40 am to 3:20 pm.

The additional time for the four year old students will allow us to meet hour requirements from the state and provide some cushion for possible snow days. At this time the state does not have hour requirements for the three year olds.

One of the needs for our district is to establish a consistent time for staff collaboration. We tried utilizing Wednesdays last year and encountered some problems. This year we will be dismissing school each Friday at 12:30 pm and the After School Program will begin and end earlier on Fridays. We will use Friday afternoons for staff development. We are doing curriculum work throughout the year including the continuation of our Professional Learning Communities (PLC's) where teachers will meet by grade level and by content area. We will also conduct staff meetings and PBIS Team Meetings during the early releases on Fridays. The consistent communication and collaboration time will help our teachers.

Friday

(Refer to teacher schedules)

Positive Behavior Interventions and Supports

PBiS Overview:

Crawford Public Schools is in the 2nd year of implementing PBiS at both the Elementary and at the High School. PBiS Teams were established in both buildings and these teams meet at least once a month during the school year. Four umbrella goals were established for the school district. These umbrella goals are Respect, Accountability, Maximize effort, and Safety or RAMS for short. The staff then used these umbrella goals to come up with desired expectations for the students. These expectations are stated in a positive manner, for example: “students will walk in the hallway” instead of “Do NOT run in the hallway”. There are different and unique expectations for various places in the school such as: classroom, hallway, lunch room, riding the bus...etc. These expectations will be taught by all the teachers to all the students in a uniform manner at the beginning of the year. Staff members then reward students (both verbally and tangibly) when students are meeting the desired expectations.

Instead of just focusing on negative behavior, the goal of PBiS is to encourage positive behavior. However, students still receive discipline and consequences for improper behavior. It is a three to five year process to fully implement PBiS, however, schools that have implemented PBiS with fidelity have seen a dramatic reduction in disruptive behavior and an increase in student achievement. These are the main reasons we are implementing PBiS.

What is PBiS?

Positive Behavior Interventions and Supports or (PBiS) is an evidence-based data-informed, process that works to increase student achievement, school attendance, and school success while decreasing challenging student behaviors. By working together, students, staff, and parents can help create a safer more effective environment.

Behavior expectations are defined, taught, and reviewed with all students. The expectations are posted throughout the school in designated areas.

We encourage parents to use the same expectations and rules that the school teaches. This common language creates consistency and a unified support for expected student behavior.

Goal of PBiS

The American Heritage Dictionary defines discipline as “training that is expected to produce a specific character or pattern of behaviors, especially training that produces moral or mental improvement.” This is the focus of PBiS in Crawford. Like reading and math, behavior can be taught and the ultimate goal is to prevent or at least reduce problem behaviors while creating more positive learning environments for all students.

PBiS...

- Benefits all students and is not limited to any particular group.
- Approaches behavior in a proactive way by teaching appropriate behaviors.
- Fosters positive adult-to-student relationships.
- Supports CPS School Improvement Goals.
- Is focused on improving academic achievement by creating a safe and positive environment.

Umbrella Goals

Respect yourself, others, and school property!

Take **Accountability** for your actions and your choices!

Maximize Effort to be a good student and citizen!

Think **Safety** for the good of everyone!

Respect

- ♦ Participate in a Positive Manner
- ♦ Listen to Others
- ♦ Wait Your Turn
- ♦ Think Before You Speak

Accountability

- ♦ Be On Time; Be Honest; Be Prepared
- ♦ Use Good Manners
- ♦ Clean Up after Yourself
- ♦ Always Be Accountable for Your Actions

Maximize Effort

- ♦ Always Do Your Best
- ♦ Stay On Task
- ♦ Follow Directions
- ♦ Complete All Assignments

Safety

- ♦ Use School Equipment Properly
- ♦ Keep Hands and Feet to Yourself
- ♦ Always Walk inside the Building
- ♦ Practice Good Hygiene

Student Injuries Can Happen

Medical Expenses Can Be a Financial Hardship When the Unexpected Occurs

Approved By Your School/School District - Available for All Students PK-12

What is Student Accident Insurance?

- ◆ Coverage that provides financial assistance with your out-of-pocket medical expenses when your student sustains an accidental bodily injury.

Why Consider Student Accident Insurance For Your Student?

- ◆ High Deductible/Copayments to your Family's Primary Health Insurance
- ◆ No Health Insurance for your Student
- ◆ Your Student participates in a interscholastic sport where an unexpected injury is more likely to occur.
- ◆ Your Student is prone to injuries

Coverage Options Available Through Your School

- ◆ School Time Coverage - \$16.00
 - ◆ Interscholastic Sports Coverage (w/School Time-\$91.00 or 24 Hour Coverage-\$174.00)
 - ◆ 24-Hour/Full-Time Coverage - \$99.00
 - ◆ Football Coverage - \$250.00 (Grades 9-12 for the football season)
 - ◆ Extended Dental Coverage - \$9.00
- Premium Paid Once a School Year**

To Enroll Your Student & Review Medical Benefits

Go to: www.sas-mn.com

or scan this QR code with your smart phone to be directed to our website

Please locate "K-12 Students & Parents" on our homepage. Within this division, you will be able to search for your student's school district. Once located, you will have access to the following information:

- ◆ **Purchase Coverage**
(Managed Online or by Printing/Mailing Enrollment Form and premium)
- ◆ **Brochure (English & Spanish)**
(Explains medical benefits, exclusions and coverage options)
- ◆ **Claim Form**
(fillable form when enrolled student sustains injury)

For Questions, Call Student Assurance Services at (800) 328-2739

Specializing in Student Accident Insurance Since 1971.

The above information is just a brief description of Student Assurance Service's student accident insurance. For more information including costs, benefits, effective dates, exclusions, limitations, please refer to www.sas-mn.com Students are able to purchase coverage only if his/her school district is a policyholder with the insurance company

District Mission

Crawford Public Schools in partnership with our parents and community, are committed to helping all students become well-rounded leaders. The district is also committed to challenging our students to develop ownership in their own education and empower each student to become resourceful, respectful, and responsible lifelong learners.

District Vision

Graduates of Crawford Public Schools will become lifelong learners with the ability to be successful in life.

School Improvement Goals

- All Crawford Public School students will be proficient and/or show growth as measured by state and local Math assessments.**
- All Crawford Public School students will be proficient and/or show growth as measured by state and local ELA/Reading assessments.**
