HANDBOOK INFORMATION:

Students and parents/guardians are responsible for knowing and understanding the guidelines set forth in this handbook. Unless the parent informs the school otherwise, Chattahoochee County High School has my permission to use my child's photograph, likeness, artwork, profile and/or story in this and future publications, web pages and other promotional materials produced, used by, and representing Chattahoochee County High School. I understand the circulation of the materials could be worldwide and that there will be no compensation to me for this use. Students will be allowed to participate in any extracurricular activity or organization unless the parents inform the school of any they cannot participate in.

Constructive criticism of the schools is welcomed by the Board whenever it is motivated by a sincere desire to improve the quality of the educational program or to equip the schools to do their tasks more effectively.

Members of the Chattahoochee County Board of Education have confidence in the professional staff and desire to support their actions in order that they are free from unnecessary, spiteful, or negative criticism and complaints. This policy does not supersede any employee's or citizen's right to contact Board members directly. However, whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, it will be referred to the administration for study and possible solution. The Board advises the public that the proper channeling of and most effective way to resolve complaints involving instruction, discipline, transportation, or learning materials is as follows:

CHAIN-OF-COMMAND

Discipline	Curriculum	Transportation
Teacher	Teacher	Assistant Principal
Assistant Principal	Instructional Coach	Principal
Principal	Counselor	Transportation Director
Superintendent	Assistant Principal	Facilities & Operations Director
Local School Board	Principal	Superintendent
State Department of Education	Appropriate Director	School Board Member
	Superintendent	State Department of Education
	School Board Member	
	State Department of Education	

*ANY ISSUES OUTSIDE OF THIS CHART ADDRESSED BY PRINCIPAL
(NOTE: Coach; Athletic Director; Principal)*

The Board will consider hearing citizen complaints when they cannot be resolved by the administration. Persons desiring to communicate with the Board shall submit a written request to the Superintendent stating their name, home address, the topic about which they wish to speak and the group they represent, if applicable, no later than 12 o'clock on Thursday prior to the scheduled Board meeting.

After reading such complaints, and if more information which might challenge or question the good name or character of an individual is needed, the Board shall consider this in the Executive Session. The Board will not consider or act on complaints that have not been explored at the appropriate administrative level or if the appropriate chain of command has not been attempted.

Report Cards

Report Cards and Progress Reports are posted on the Powerschool parent portal as well as the student portal. In the event that a parent requires a printed version, a request should be made in writing directly to the student's homeroom teacher. All foreign exchange students must follow the same rules and regulations as Chattahoochee County High School students. Academic enrollment will be based on needs from the sponsoring agency and home country. Each foreign exchange student is welcome to participate in academic programs as honorary members providing all requirements for graduation are met. Participation in graduation ceremonies (no actual diploma) will be allowed if the student was enrolled in the senior class. Participation in extracurricular programs will be granted provided the governing agency has cleared the request (i.e. athletes must get permission from GHSA).

Inquiries or complaints concerning sports equity in this school may be submitted to: Sports Equity Coordinator/Athletic Director at 360 Highway 26 Cusseta, GA 31805.

Homeless Students

Subtitle B of Title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) that requires each state to ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youth. In accordance with the Act and State Board Rule 160-5-1-.28 (JBC), the term “Homeless Child and Youth” is defined as children and youth who are:

- a. Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason;
- b. Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
- c. Living in emergency or transitional shelters;
- d. Abandoned in hospitals; or
- e. Awaiting foster care placement.
- f. Moreover, the following children are included in the definition: children who have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings; children who are living in cars, parks, public spaces, abandoned building, substandard housing, bus or train stations, or similar settings; and migratory children who qualify as homeless because they are living in circumstances described above. Please refer to Chattahoochee County Board Policy JBC (1) for further information and details.

The term “homeless children and youths” is defined as provided in the McKinney-Vento Homeless Assistance Act (the Act).

In accordance with the Act, every child of a homeless individual and every homeless child or youth shall have equal access to the same free, appropriate public education as provided to other students. The District shall assign and admit a child or youth who is homeless to a District school regardless of residence or whether the parent or student is able to produce records normally required for enrollment.

The Superintendent shall appoint a liaison for homeless children and youths.

The School District will work with homeless children and youths and their families to provide stability in school attendance and other services. Special attention will be given to ensuring the enrollment and attendance of homeless children and youths not currently attending school in a manner that will not stigmatize or segregate them on the basis of their status as homeless. Homeless students will be provided district services for which they are eligible, including transportation services, Head Start and comparable preschool programs, Title I and similar state or local programs, educational programs for students with disabilities or limited English proficiency, career and technical education programs, gifted and talented programs and school nutrition programs. Appropriate secondary education and support services will be provided to ensure that homeless youths receive appropriate credit for full or partial coursework satisfactorily completed while attending a prior school.

The Superintendent or designee will review and revise as necessary regulations or procedures that may be barriers to the enrollment of homeless children and youths. In reviewing and revising such regulations or procedures, the District will consider issues of transportation, immunization, residence, birth certificates, transfer of school records and other documents required for enrollment.

Anyone having a concern or complaint regarding eligibility, school selection, or enrollment of a homeless child or youth should first present it orally and informally to the District homeless liaison, who shall carry out the dispute resolution process as defined in the state plan for the education of homeless children and youths.

Military Children: Approved March 2010

The Background: In an effort to help our military students' graduate on-time, the Georgia General Assembly has passed Senate Bill 114.

http://www.legis.ga.gov/legis/2009_10/versions/sb114_AP_6.htm

Portions of bill outlined below:

In order to facilitate the on-time graduation of children of military families, states and local school systems shall incorporate the following procedures:

- (1) Local school systems shall waive specific courses required for graduation if similar coursework has been satisfactorily completed in another local education agency or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the local school system shall provide an alternative means of acquiring required course work so that graduation may occur on time;*
- (2) Local school systems shall accept exit or end-of-course exams required for graduation from the sending state, national norm-referenced achievement tests, or alternative testing in lieu of testing requirements for graduation in this state; and*
- (3) Should a military student transferring at the beginning or during his or her senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the local school system shall coordinate with the sending local education agency to ensure the receipt of a diploma.*

Course Weighting:

AP Courses / Dual Enrollment Courses

Advanced Placement (AP) classes are based on the following premise: The courses are taught by highly qualified high school teachers who use the *AP Course Descriptions* for guidance. The Course Description for each discipline outlines the course content, describes the curricular goals of the subject, and provides sample examination questions. While the Course Descriptions are a significant source of information about the course content on which the AP Exams will be based, AP teachers have the flexibility to determine how this content is presented.

AP Examinations are administered each year in May, for a fee which is determined by the *College Board* each year, and represent the culmination of college-level work in a given discipline in a secondary school setting. A fee reduction is available to eligible students with acute financial need. For more information about fee reductions, go to www.collegeboard.org/apfeereductions. If a student scores three or higher (depending on the individual college's requirements,) AP students can earn college semester hours for the AP courses they take. The AP exam is not required and does not determine pass or fail; therefore, it is up to the individual student as to whether he or she wants to take the exam(s).

AP courses are also weighted at a higher GPA (1.0), due to the rigorous content. Please visit the *AP Website (College Board)* at <http://www.collegeboard.org> with any questions.

The Dual Enrollment program allows high school students (10th – 12th grade) to earn college credit while working on their high school diploma. The Dual Enrollment core courses will be weighted at a higher GPA (1.0) due to the rigorous content. Please direct any further questions to the school counselor at 706-989-3678.

Honors Courses

These courses are based on the following two important premises: The first is the expectation that all students can perform well at rigorous academic levels. This expectation should be reflected in curriculum and instruction throughout the school, so that all students are consistently being challenged to expand their knowledge and skills to the next level.

The second important premise is the belief that we can prepare every student for higher intellectual engagement by starting the development of skills and acquisition of knowledge as early as possible. Addressed effectively, high school years can provide a powerful opportunity to help all students acquire the knowledge, concepts, and skills needed to engage in a higher level of learning.

Students must be recommended for Honors courses by their previous teachers within the subject area, and also by their GPA in the courses within the content area, MAP and/or Accuplacer test, and attendance. Recommendations are based on the student's academic and behavioral performance within the regular education or previous Honors class.

Because the Honors courses are more rigorous and academically demanding they are weighted at a higher GPA (0.5) These courses are also the basis for recommendation into future advanced courses. In order to be considered for Honors Courses, students must meet certain criteria (Accuplacer score, Lexile Reading Level, GPA, Attendance).

Grading System

1. The grading scale is as follows: **F: 0-69; C: 70-79; B: 80-89; A 90-100**
2. There are two grading periods spanning each semester. There are two semesters in each school year. HS credits are awarded at the end of each semester.
3. An incomplete (I) will be shown on the report card for work not completed by the end of a nine week grading period. All incomplete work must be completed and submitted within 10 days of the new reporting period.
4. A No Credit (NC) will be shown on the report card for students who have more than 20 unexcused absences or 10 unexcused absences per semester for High School.
5. Students who fail a course shall be eligible for course extension, provided they meet the appropriate criteria:
 - a. finish with 67-69 overall grade
 - b. 10 or fewer unexcused absences
 - c. pass the final exam in that course

Course extension assignments are at the teacher's discretion and must be completed and submitted to the teacher within 10 calendar days of the last day of the semester.

The student must attend until all units are completed/passed and appropriate tests are administered to receive credit.

A T T E N D A N C E:

Purpose:

As educators, we all recognize the relationship between daily school attendance, student performance, graduation, and habits in the workplace. We also know that the amount of time actually spent in class is a good measure of a student's access to an education. Each tardy or absence means a student has lost an opportunity to learn.

In order to address truancy and attendance, Georgia state law (HB 1190) now requires that communities and schools work together to address truancy through the recommendations of their local Student Attendance and School Climate Committee, which have two goals set forth in law:

- * Ensure coordination and cooperation among officials, agencies and programs involved in compulsory attendance issues to reduce the number of absences from school
- * Increase the percentage of students who take tests required under state law

This student attendance protocol is written as required by the state of Georgia HB 1190 in an attempt to improve student attendance through the utilization of targeted strategies and interventions for reduction of absences and truancy.

Operational Authority

The Student Attendance and School Climate Committee is operational under the authority of the chief superior court judge as defined in O.C.G.A. 20-2-690.2. Following adoption of this written protocol and filing with the Georgia Department of Education, the committee will meet quarterly during its first year and twice annually thereafter for the purpose of evaluating compliance, effectiveness and to modify the protocol as appropriate.

August 1, 2023

Dear Parent or Guardian,

On behalf of the Superior Courts of Chattahoochee, Harris, Marion, Muscogee, Talbot, and Taylor Counties, I wish to welcome you to a new school year and confirm that school attendance is mandatory in the State of Georgia. Regular student attendance is a basic requirement for academic progress, as we all know. Attendance is linked closely to lifelong learning and productivity. It is well established that frequent or chronic absences, late arrivals and truancy place a child at a severe disadvantage, both in school and in endeavors later in life.

With these considerations in mind, you should know that your child's school is legally required to report students with excessive absences or late arrivals to your school's social worker for follow up and possible legal action.

Should such a referral occur, efforts will be made to help the family resolve attendance problems. If such efforts are unsuccessful, it shall be the duty of the social worker to file proceedings in Juvenile Court or take other legal steps to ensure compliance with Georgia's compulsory attendance laws.

Your child's school realizes that occasional absences or tardiness are necessary or even unavoidable because of illness or family emergencies; however, your student will be responsible for all assignments and homework covered during the absence. If a student needs the teacher's assistance to understand missed material, the teacher will usually be glad to assist the student at a pre-arranged time before or after regular class hours. Generally, it will not be possible for the teacher to stop class or interrupt instruction to accommodate students who are absent or tardy as this would be unfair to other students.

I hope that you and your student have a great academic year and that you will call upon your school with any questions or concerns.

With best regards,

Judge Arthur L. Smith, III
Chief Judge of Superior Courts
Chattahoochee Judicial Circuit

Absences & Excuses

The Chattahoochee County Board of Education recognizes the importance that regular school attendance plays in increasing student achievement; therefore, the Board directs school-level administrators to put forth efforts to promote high student attendance. Additionally, the Board directs school-level administrators to provide an accurate method of record keeping in regard to student attendance. The Board further supports school-level efforts to recognize students who maintain exemplary attendance records.

The Chattahoochee County Board of Education requires that students be in attendance at public schools in accordance with the requirements of the compulsory school attendance law and for the number of full-length days prescribed by law. The Board further directs the schools to obtain appropriate documentation to validate excused absences. Students are

allowed to make up work if absences are excused. Schools are not required to provide work if absences are unexcused. Nothing in this policy should be constructed to encourage student absences (either excused or unexcused). The student shall be responsible for contacting the teacher or teachers to arrange to make up the work. Normally, arrangements and make-up work must be completed within a total of five (5) school days; however, for long-term absences, additional days to make up the work may be approved by the principal.

****No excuses will be accepted once the nine weeks term ends.**

HB 718:

Permits five excused absences for military dependents to attend military functions.

For students in any grade K-8 only days in which students are present for at least half of the instructional time is required at each grade level. A student in grades 9-12 must be present at least 55 minutes of a 90 minute class segment to be counted present in that class. A student in grades 9-12 must be present in two (2) full class blocks in order to participate in any school-sponsored extracurricular or interscholastic activity. 50% OF THE SCHOOL DAY.

The Chattahoochee County Board of Education as a policy will excuse students for absences under the following circumstances:

1. Personal illness or when attendance in school could endanger a student's health or the health of others.
2. A serious illness or death in a student's immediate family necessitating absence from school.
3. A court order or an order by a governmental agency, including pre-induction physical examinations for service in the Armed Forces, mandating absence from school.
4. Observing religious holidays, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. A period not to exceed one day for registering to vote or voting in a public election.
7. Schools shall count students present when they are serving as pages of the Georgia General Assembly.
8. Students in foster care shall be counted present when attending court proceedings related to their foster care.
9. A student whose parent or legal guardian is in military service in the U. S. Armed Forces or National Guard, and such parent has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting will be granted up to 5 days of excused absences per school year to visit with his or her parent prior to the parent's deployment or during the parent's leave.
10. A student whose parent or legal guardian is currently serving or has previously served on active duty in the U. S. Armed Forces or in the Reserves or National Guard on extended active duty may be granted excused absences, up to a maximum of 5 school days per school year, not to exceed 2 school years, for the days missed from school to attend military affairs sponsored events or to visit with the parent or legal guardian prior to deployment or return from deployment, provided the student provides documentation prior to the absence. The documentation must come from a care provider at or sponsored by a U.S. Veterans Affairs medical facility or from an official of an event sponsored by a veterans organization that qualifies as a 501 (c) (19) tax-exempt corporation under the IRS Code. In determining whether to grant or deny a request for absence under this provision, the principal or designee may consider the student's attendance record.

Students shall be permitted to make up work when absences are excused. A written note from the student's parent or guardian stating the reason for the absence must be turned in to

the front office within three (3) days of the student's return to school. Written parent notes shall not excuse more than 10 days per school year. Students who miss more than four (4) consecutive school days for personal illness will be required to present appropriate medical documentation to the front office upon returning to school. With proper verification, a student may be eligible for hospital/homebound instruction as outlined in State Board of Education Rule 160-4-2-.31. Additionally, students who are absent due to a serious illness in the student's immediate family will be required to submit appropriate medical documentation.

A child with excessive excused absences (5) within one school year may be referred to the system social worker for monitoring of any additional pattern of excused absences. An unexcused absence occurs when a student is voluntarily absent with or without the consent of his/her parent(s)/guardian(s) for reasons not recognized by Georgia statutes and/or school board policy.

Tardiness/Late Arrivals/Early Dismissals All students are expected to be in attendance in their regularly scheduled classes by the time the bell rings to begin class. Students who arrive late to school must report to the office upon arrival at school. Repetitive tardiness at the start of the day, during school hours, and leaving early from school may result in the school pursuing action as simple or habitual truancy. A record of tardiness will be kept by the office. Tardiness will be recorded on the student's permanent record.

In accordance with the law, final course grades of students shall not be penalized if the following conditions are met:

1. Absences are justified and validated for excusable reasons.
2. Makeup work for excused absences is completed satisfactorily.

Individual students who have emergencies necessitating their absence from school for a portion of the school day or when there is cause requiring a student to be excused from school for a portion of the school day, the student shall be released from school only to his or her parent(s), to a person properly identified to school authorities or upon request by letter, and/or telephone from the parents.

Schools shall not release students to individuals other than custodial parent(s)/guardian(s) without written permission from the custodial parent(s)/guardian(s), unless the person seeking the release presents a court order specifically authorizing or directing the release of custody by the school.

It is the responsibility of the custodial parent(s)/guardian(s) to notify the school when their child will be picked up by anyone other than those whose names are filed in the child's records. The school principal or designee will not release any student to any individual without the specific request of the person having lawful custody of the child.

Students who miss more than 10 days a semester are subject to losing credit and will have to file an appeal with the school administration. Further appeals will be made through the Superintendent and the Chattahoochee County Board of Education.

When rating student attendance for accountability purposes, there will be no distinction between excused and unexcused absences.

School Participation Absences/School Related College Absences for Juniors and Seniors

Arrangements for the visit must be made **in advance** by notifying the college/university and making an appointment and also completing a form from the counselor's office. PROGRAMS:

Chattahoochee Valley Academy - A Georgia College and Career Academy

As defined in State Bill 161 signed by Governor Nathan Deal on May 11, 2011, a “College and Career Academy” means a specialized charter school established by a partnership which demonstrates a collaboration between business, industry, and community stakeholders to advance workforce development between one of more local boards of education, a private individual, a private organization, or a state or local public entity in cooperation with one or more postsecondary institutions.

Chattahoochee County Schools received the state grant to build a College and Career Academy in 2016, and the Chattahoochee Valley Academy was born. Construction on a new wing and the renovation of two existing wings at Chattahoochee County High School was completed December 2018. The new wing houses the new heavy metal labs including Welding and Automotive Maintenance. The renovation of two existing wings at the high school houses other college classrooms and labs.

of medications.

• **If these procedures are not followed, medication may not be dispensed at school.**

• Unused medication will be disposed of unless picked up by a parent/guardian before 11:00 am on the last day of the school year.

Student Illness/Injury The main reasons for keeping your child home are he/she's too sick to participate comfortably at school or he/she might spread a contagious disease to other students. **If your child has been diagnosed with a contagious disease, please contact the school nurse so that other students' parents and school staff may be alerted of the symptoms. A doctor's note is required before a student is readmitted when there is a contagious disease/infection involved.**

Students should stay home from school if the following symptoms are present:

- Fever > or equal to 100.0°F (must be fever-free 24 hours without medication before returning to school.)
- Vomiting more than once
- Diarrhea more than once
- Frequent cough
- Persistent pain (ear, stomach, etc.)
- Widespread rash
- Head lice, until treated
- Chicken pox, until lesions have scabbed (usually 5-7 days)
- Impetigo, Ringworm, or Scabies until under treatment and lesions covered
- Bacterial Pink Eye (thick eye drainage and redness of the whites of the eyes) until under treatment
- Open Wound
- Drainage (ears, wound, etc.)

Fever- Please check your child's temperature with a thermometer, and if he or she has a temperature **equal to 100 °F or over 100 °F** they are considered to have a fever. **Children must be fever-free for 24 hours, without the use of medicine, before returning to school.**

Vomiting/Diarrhea- Until we know that these are not signs of a contagious illness, such as a stomach virus, your child should be kept home. Your child should be vomiting/diarrhea free for 24 hours before returning to school.

Skin Rashes or Open Wounds If the rash or wound has any fluid or drainage coming from it, the child must remain out of school until the rash or wound has been treated and a note from the doctor states it is ok to return to school, or until the rash is gone, dried, or scabbed over with no new spots appearing. Anytime a rash is associated with fever, the child may not come to school until the fever is gone for 24 hours without medication.

Red Eyes with Drainage or Crusting Around the Eye- This can often mean your child has conjunctivitis, also known as pink-eye. We must have a note from the doctor stating the condition is not contagious or when the student may return to school. If no doctor's excuse is available, your child must remain out of school until the redness and drainage are completely gone.

Pediculosis (Head Lice)- Head lice is an especially common problem for all school aged children. If, during the screening process or individual inspection, an infestation of head lice is confirmed, the following procedures will be followed:

1. The student will be removed from the classroom. Parents/guardians will be contacted and required to check out the student and provide the appropriate treatment.

2. When the students have left at the end of the day, the school classroom where an incidence of head lice has been found will be cleaned to help prevent the spread of the condition.
3. After the parent/guardian has administered the first treatment and the nits have been manually removed, the child may return to school. The school nurse or other school official designee will conduct an examination. All students must be cleared by the school nurse and found to be free of all nits and/or live head lice prior to being allowed to ride the school bus or return to class. If the student is not lice and/or nit free, he or she will not be readmitted to school.
4. A second inspection (7-10 days later) may be conducted by school officials to ensure that another infestation has not occurred. If an exam during this period reveals lice or nits, you will be notified to pick up your child and the absence will be unexcused.
5. Absences of one or more days due to head lice infestation will be unexcused. Chronic or recurring cases that result in excessive absences will result in a referral to the school attendance clerk and may cause failure to progress to the next grade or to receive credit for the course.

Immunizations

The Georgia Immunization Law states that any student entering any grade must present a current/non-expired Georgia Certificate of Immunization. Military, physician, or out-of-state certification is not acceptable. Check with the local health department for Form 3231.

Extra-Curricular Activities

Chattahoochee County High School offers a wide range of extracurricular activities. These include but are not limited to athletics, fine arts, service, and academic clubs. Certain extracurricular activities are regulated by the Georgia High School Association (GHSA). Students participating in these are subject to all rules of GHSA, including eligibility to participate. According to the GHSA, any student assigned to In-School Suspension (ISS) will be eligible for extracurricular activities (practice only) unless otherwise stated by the principal/assistant principal. Students will be ineligible for participation in any competitive events until the day following the last day assigned to ISS. Any student suspended out of school, expelled, or attending the alternative school for disciplinary reasons is excluded from extra-curricular events or practices. Other activities have specific school, state, or national requirements. Contact the sponsor for more information. Many of these activities are highly visible to the public (athletics, band, etc.) Therefore, the students involved in these activities become ambassadors of the school and are expected to represent the school well. The school discipline policy and dress code will be in effect at all times, unless approved by the Principal or designee (at events, traveling to and from, etc.) However, the coach/sponsor may place further requirements on the students (i.e. higher expectations for academics, behavior, increased dress requirements - ties, etc.) **Remember, participation in extracurricular activities is a privilege and can be revoked at any time.**

Parents and students will have the opportunity to “opt out” of any club or extracurricular activity on the declaration page. If any club or organization (not listed in the Student Handbook) is formed during the academic year, the parents will have to sign a permission form for their student in order for them not to participate.

All student athletes in High School must have a permission slip and proof of insurance in the form of a card or a copy of an insurance policy. Insurance and parent permission in writing on the form provided by the school must be secured before the student athlete may participate in any organized event be it conditioning, practice, or any sort of competition sanctioned by the school.

Eligibility for GHSA activities begins on the day a student enters the 9th grade. From that point, the student has four (4) years of possible eligibility. To be eligible for spring semester, the student must pass 3 of the 4 subjects of the preceding fall semester and be on track for graduation. To

Section 504 of the Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of Section 504 is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to nondisabled students. For more information regarding Section 504, or if you have questions or need additional assistance, please contact your local system's Section 504 Coordinator: Ms. Cassandra Garner by email; cgarner@hattco.org, by phone; 706-989-3678; or at the following address:

16. You have the right to, at any time, file a complaint with the United States Department of Education's Office for Civil Rights.

Section 504 Procedural Safeguards:

1. Overview: Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievance' failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's Section 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing.

2. Hearing Request: The Request for the Hearing must include the following:

- a. The name of the student.
- b. The address of the residence of the student.
- c. The name of the school the student is attending.
- d. The decision that is the subject of the hearing.
- e. The requested reasons for review.
- f. The proposed remedy sought by the grievant.
- g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant's Request for Hearing, the Section 504 Coordinator will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the Section 504 Coordinator will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.

3. Mediation: The school system may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and school system must agree to participate. The grievant may terminate the mediation at any time. If the mediation is terminated without an agreement, the school system will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.

4. Hearing Procedures:

- a. The Section 504 Coordinator will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievance Request for Hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.
- b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date.

The request for a continuance must be in writing and copied to the other party.

c. The grievant will have an opportunity to examine the child's educational records prior to the hearing.

d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing and participate, speak, examine witnesses, and present information at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the Section 504 Coordinator of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the Section 504 Coordinator in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.

e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances or law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e. A recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. 34 C.F.R. §104.34). One or more representatives of the school system, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the review official.

f. The impartial review official shall not have the power to subpoena witnesses, and the strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.

g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.

h. The hearing shall be closed to the public.

i. The issues of the hearing will be limited to those raised in the written or oral request for the hearing.

j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.

k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.

Web Page

The Chattahoochee County School System web page is located at www.chattco.org. The Chattahoochee County High School link from this site has a calendar listing all important school dates as well as other pertinent information. Please refer to this site frequently as it will be continually updated. Parents/guardians are able to access Powerschool via the school website and keep up with their students' attendance and individual grades. Please contact front office staff at (706) 989-3678 to find how you can gain access to your child's information. For students' names and photos to be used in school related publications, a signed permission form must be on file with the school office.

Arrival on Campus

Chattahoochee County High School is a CLOSED Campus. Students who want to leave campus during the school day must have permission from a parent/guardian and must sign out in the school office. As soon as students have entered the school campus, whether riding in or driving a vehicle, or dropped off from the bus, students cannot leave the campus. When a student returns to campus, he or she must check in at the attendance office. The parking lots are off limits during the school day. If a student needs to go to his/her vehicle, he/she must have written permission from the front office. Failure to do so may result in disciplinary referral.

Students arriving at school before 1st bell (7:25 A.M.) should report to the cafeteria (if eating breakfast), to the gym (if not eating breakfast), or to any designated waiting area, but they should not enter the main building without written permission.

Students are not to be in the hallways without permission.

Upon checking out, students are to leave campus immediately.

Leaving Campus

At the end of the school day, students are to leave campus immediately unless you have a scheduled extra-curricular activity for that day. You must be in place (field house, gym, classroom, band room, etc.) by 2:35 P.M. No one is to leave his or her scheduled activity until dismissed. No one will be allowed in the building after 2:45 P.M. unless accompanied by a teacher/coach.

BUSES

All students attending the Chattahoochee County High School and meeting the eligibility requirements for bus transportation prescribed by the district are entitled to use the transportation facilities of the district so long as their conduct is not detrimental to the safety and welfare of others or to the safe operation of the school bus. Rules will be posted on each bus. Students are expected to follow the rules and may be removed by the administration if it is warranted. To ensure that your child will have a safe riding experience, we ask that you review the safe riding instructions that follow, now and periodically throughout the school year.

Safe Riding Instructions

Statistics show that children riding a school bus are much safer than riding any other form of transportation on the roadways. The Chattahoochee County Board of Education considers the school bus as an extension of the classroom; therefore all the same rules for the classroom will apply in route to the bus stop, departing from the bus stop, and while on the bus. Safe riding begins before your child ever leaves the house or arrives at the designated bus stop. In order to keep your child safe, your child needs to arrive at the bus stop five (5) minutes before the scheduled pickup time, not before. These few minutes will allow your child to arrive at the stop without a need to hurry, and will also limit your child's time near roadways and out in a variety of weather conditions for any longer than necessary.

While waiting for the bus

Students should wait at least 12 feet or a safe distance if possible away from the roadway at their designated stop. There should be no horse playing, pushing or shoving while coming to the bus stop or while at the bus stop. Also head/ear phones/cell phone, tablets/ laptop computers, and sunglasses shall be put away before loading/unloading within 12 feet of the danger zone on the surrounding bus. This will also include the loading and unloading zones at school. Students who do not live on the same side of the road as the bus pick up must wait for the bus to come to a complete stop and then wait for the driver to give instructions for when it is safe for them to cross. Students should never check for mail at the mailbox or pick up any objects on the ground

inside the danger zone around the bus. Students should cross only in front of the bus in full view of the driver while loading/unloading.

While on the bus

Once students board the bus, the driver is in full charge of the safety of your child. Students must follow the driver's directions and instructions at all times. Students shall also follow the bus rules posted inside the bus. The bus is also an extension of the classroom therefore all rules of behavior and conduct identified in the Student Handbook are enforced and apply anytime students are on board the bus. The driver may require a student to remove any hats or headgear such as hoods and bandanas to promote safe riding on the bus.

Bus Evacuation

Due to unforeseen circumstances beyond the bus driver's control, your child may have to evacuate a bus at some time during the year. When evacuating a bus is necessary, students are placed in a safer location while waiting for assistance.

When any type of evacuation occurs, students must follow the instructions of the driver to safely unload and to relocate in a safe location away from any hazard. All buses are designed with several "Emergency Exits"; these locations are, but not limited to the entrance/exit door, rear door, emergency exit windows, and roof hatches. Students should always use the front entrance/exit doors whenever possible during evacuations. All students who ride the bus to and from school, on a field trip, or on an extracurricular activity shall complete at least one bus evacuation drill within the fiscal school calendar year. The bus driver will announce when to exercise the bus evacuation drill. All bus evacuation drills will be conducted on the school campus.

School bus transportation is a very important part of the education system of Chattahoochee County. We appreciate your assistance as we try to provide the safest and most efficient transportation for our children.

To ensure the safety of our students, and provide adequate seating due to capacity limits on all routes, students will only be transported to their assigned bus stop. Students may not ride a different bus or get off at a different location. In the event of an emergency, a parent/guardian may request ONE emergency bus pass per student - limited to one request per quarter.

In the event that you need to permanently CHANGE your student's afternoon transportation, you must notify the school IN WRITING no later than 12:00 noon of the school day. Changes can not be made over the phone but can be emailed to ccmhs@chattco.org (<mailto:ccmhs@chattco.org>) or delivered to the front office by 12 noon.

We appreciate your assistance in adhering to these measures to ensure the safety of our students and staff.

Bus transportation is provided as a privilege to students who attend CCHS, but a student may lose the privilege to ride the bus by failing to obey the rules

Driving on Campus

Students operating motorized vehicles on campus must have a state-approved license. Students must complete an application and purchase a parking permit from the school resource officer for \$10 and properly display the permit in the vehicle. Students with parking permits may park in the student parking area, in properly marked spaces near the gym. **All vehicles parked on campus are subject to search by school officials without warning.** Students must leave the parking lot area immediately upon arrival on campus and report directly to the school building. Students are not permitted to return to their vehicles during the school day except in an emergency and only when approved by the principal or his designee. Visitors are not allowed to

pick up other students from school and leave school without permission from the principal. Please restrict speed to 10 mph on school grounds. **THE ADMINISTRATION RESERVES THE RIGHT TO PROHIBIT ANY STUDENT FROM DRIVING ON THE SCHOOL CAMPUS.**

Field Trips

Students on a school sponsored field trip are subject to all school rules. As an ambassador of the school, students are held to a higher account of school rules. In order to be eligible for field trip participation, student grades, attendance, behavior, and good standing will be evaluated. Criteria for eligibility to attend a field trip will be laid out by the sponsor. The CCHS Dress Code will be in effect on any school sponsored field trip, unless permission is granted by the principal/designee.

CCHS CONFLICT RESOLUTION PROCEDURE

Students do have a process by which they may disagree with a teacher without creating a more difficult situation. The following steps must be used to seek a proper solution:

1. The student shall not challenge the authority or judgment of the teacher during the class period or in the company of other students.
2. The students shall quietly accept the accusation, grade, assignment, or subject disagreement.
3. After class, the student may request an appointment with the teacher to discuss the matter. The appointment may be made before or after school.
4. During the appointed meeting, the opinion of the student must be described in a calm manner. The student shall listen to the opinion of the teacher concerning the circumstances. If, after this meeting, the student is still in disagreement, he/she is encouraged to explain the conflict to the parent/guardian. If the parent/guardian feels that the conflict is not resolved, an appointment should be scheduled with the teacher through the front office. If the conflict remains unsolved, a conference with the administration should be scheduled.

CCHS Parent Concerns Procedure

We recognize that there will be times when students and teachers may not resolve the issue in the above resolution procedure. If this is the case, we ask that the parent contact the teacher first by: Email and/or call to speak with the teacher (may leave a message to be returned) and then schedule an appointment to meet with the teacher. If a resolution still cannot be reached, then we ask that you contact the following individuals in this order as needed until situation can be resolved for both parties:

1. Guidance Counselor
2. School Administrator
3. Superintendent
4. School Board Members**

** We ask that board members be contacted only after all previous school/district level contacts have been exhausted.

Code of Student Conduct

It is the desire of the Chattahoochee County School System that all students should have every possible opportunity to take advantage of the instructional programs. Whatever distracts from a favorable learning environment lessens that opportunity.

The rules listed in this policy apply to Chattahoochee County High School.

This list is not all inclusive, and a student committing an act of misconduct not covered by this policy will be subject to the discretionary authority of the principal. More severe punishment may be necessary in extreme cases.

The policy represents a progressive discipline process. Factors taken into account in determining dispositions include (but are not limited to):

Age	Degree of premeditation	Disability
Evidence	Seriousness of offense	Student's history
	Willingness to cooperate	

Because of these factors, punishment imposed may vary from student to student for the same offense.

Federal and state laws and regulations that are in conflict with this or its application shall take precedence. All disciplinary action is subject to review and disposition under the discretionary authority of the Principal.

Dress for Success Code Policy

ChattCo as a College and Career Academy believes that the business of school is student learning and that school-appropriate dress and grooming standards should support that purpose; therefore, the dress and grooming of a student should reflect the serious intent of one who is going to work with an important job to do. Accordingly, dress and grooming standards should promote a positive learning atmosphere and a safe, orderly learning environment, free from disruption, easily enforced by teachers and administrators so as to minimize any interruption to instruction, and easily self-monitored so that students and parents can ensure that the standards are met prior to the student arriving at school.

Each student and parent shall be responsible for ensuring compliance with all aspects of this Dress for Success Code Policy before the student enters the school premises and during the time the student is on school premises during regular school hours. Before making final clothing purchase decisions, parents and students are responsible for reviewing the Dress for Success Code Policy in its entirety. When in doubt, do not wear it to school. Parents and students will be held accountable for all information listed in the policy. Violation of the Dress for Success Code Policy will follow the discipline policy.

Drug Dogs

In April 2010, in an effort to help secure and maintain a drug free campus, the Chattahoochee County Board of Education approved the use of law enforcement and K-9 units (drug dogs) on the Chattahoochee County High School Campus. Periodic unannounced random searches of vehicles and classrooms will be conducted as the K-9 units are available. These efforts are to be preventative in nature and discourage those who may be thinking about or currently bringing drugs or drug related paraphernalia to school. Our goal at ChattCo is to help our students be successful and be able to attend school on a safe and drug-free campus. This is just one more step to help us ensure student safety and well-being at ChattCo. Parents will be notified by phone if their child (children) is involved in or connected to anything found during a conducted search.

Expected Student Behavior

Students enrolled in Chattahoochee County High School will be expected to:

- **Participate fully in the learning process.** Students need to report to school and class on time, attend all regularly scheduled classes, have all materials necessary for participation in class activities, remain in class until excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed.
- **Avoid behavior that impairs his or her own or other students' educational achievement.** Students should know and avoid the behaviors prohibited by this code, take care of books and other instructional materials, and cooperate with others.
- **Show respect for the knowledge and authority of teachers, administrators, and other school employees.** Students must obey reasonable directions without question (i.e. change seats, go to the office, stop talking, etc.), use acceptable and courteous language, avoid being rude, and follow school rules and procedures.
- **Recognize and respect the rights of other students and adults.** All students should show concern for and encouragement of the educational achievements and participation of others. Behave in a manner that would be a credit to your school and your family.

- **Report any behavior (regardless of how minor) to the office immediately.** Oftentimes problems are not reported to the office and result in larger discipline problems between students.

Gang Activity

Harassment (Student): Policy JCAC

It is the policy of this School District to prohibit any act of harassment of students by other students or employees based upon race, color, national origin, sex, or disability at all times and during all occasions while at school, in the workplace or at any school event or activity. Sexual harassment may include conduct or speech which entails unwelcome sexual advances, requests for sexual favors, taunts, threats, comments of a vulgar or demeaning nature, demands or physical contact which creates a hostile environment. There may be other speech or conduct which employees or students experience as inappropriate or illegal harassment which should also be reported; harassment can take many forms and it is not possible to itemize every aspect of the harassment forbidden by this policy.

Any student, parent, employee, or other individual who believes that a student has been subjected to harassment or discrimination by other students or employees of the School District as prohibited by this policy should promptly report the same to the principal of their school or to the appropriate coordinator designated in policy JCAC, who will implement the board's discriminatory complaints procedures as specified in that policy. Students may also report harassment or discrimination to their school counselor or any administrator. It is the duty of all employees to promptly report harassment forbidden by this policy. All supervisors will instruct their subordinates as to the content of this policy and, through appropriate professional learning activities, enlighten employees as to the varied forms or expression of prohibited harassment. The principals of all schools shall ensure that students and parents are informed through student handbooks and verbally that such harassment is strictly forbidden, how it is to be reported and the consequences for violating this policy. SUSPENSION AND CAMERA POLICIES:

IN-SCHOOL SUSPENSION (ISS): In-School Suspension is assigned for behavioral infractions. Refusal to attend ISS will result in out-of-school suspension in addition to the assigned ISS. Removal from ISS for disciplinary reasons will result in out-of-school suspension. Students suspended for any part/fraction of a day will not receive credit for attending ISS that day and will be required to make that day up. Students will be required to complete all remaining ISS days and assignments once they have returned to school.

In-School Suspension Rules:

OUT-OF-SCHOOL SUSPENSION (OSS): Students may not attend any school related activities while suspended. Students under out-of-school suspension may not participate in conditioning, tryouts, practice, or games until they return to class (GHSAA rule). Example: If suspension is through Friday, students cannot play on Saturday. Suspension is considered ended when a student is readmitted to the classroom.

SURVEILLANCE CAMERA PROCEDURE: CCHS recognizes a need to strike a balance between the individual's right to be free from invasion of privacy and the school's duty to promote a safe environment for all students and faculty.

The purpose of video surveillance at CCHS is to:

1. Promote a safe environment by deterring acts of harassment or assault.
2. Deter theft and vandalism and assist in the identification of individuals.
3. Assist law enforcement agencies with regard to the investigation of any crime that may be depicted.
4. Assist in the daily monitoring of student conduct and behavior.

While surveillance cameras are posted in hallways, the school store, gymnasium, lunchroom, outdoor walkways and some classrooms/labs, they are not mounted inside any restrooms. Surveillance cameras are, however, mounted outside restroom doors so that if an incident does occur the person leaving the restroom will be easily identified.

Any person purposely touching, blocking, damaging, and/or causing a surveillance camera to malfunction will be charged with vandalism of school property.

Surveillance cameras operate 24 hours per day, seven days a week, and record continuously for several months. Cameras are monitored by designated school officials who may include, but are not limited to, administrators, teachers, and School Resource Officers (SRO).

Surveillance DVDs will not be viewed by or provided to students or parents. However, this does not preclude an administrator or deputy sheriff (SRO) from obtaining the aid of students, faculty and staff in identifying persons of interest who may be implicated in a surveillance recording. Request to view surveillance evidence will require Chattahoochee County School Board approval.

Surveillance evidence may be used to corroborate or verify an act has taken place, identify a specific person(s) involved in an act/incident, and/or to witness the extent of which an act has been committed.
