School Safety

The Butteville Safety Committee met last Thursday, September 27th. We are looking at safety locks for classroom doors; providing each class with spring hammers to break windows for secondary exit routes; putting gates in the field fence and behind portable classrooms; adding mirrors in hallways; and improving communication systems between front office and classrooms.

We will be keeping everyone posted on the progress and project status.

8th Grade Halloween Fundraiser

The 8th grade class of 2019 will be raffling off a cord of firewood to raise money for the 8th grade trip. The raffle will occur at the Halloween Carnival on October 26. You can purchase tickets from the Butteville front office and from 8th grade students: \$5 for one, \$20 for five.

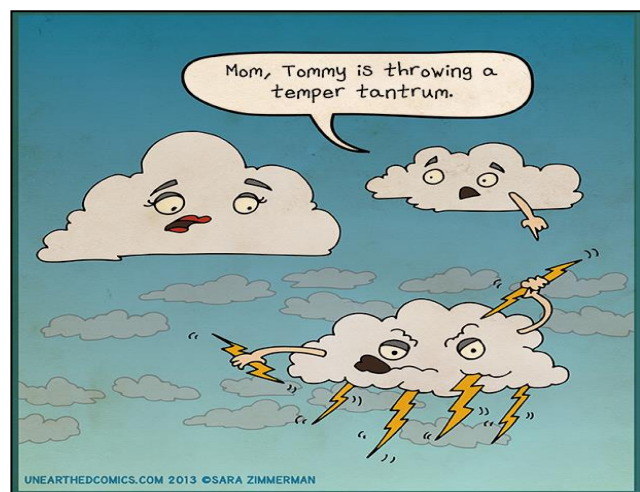

Would you believe they burn the wood they cut down?

Volleyball and Cross Country Meets

Both A and B volleyball teams loss to Big Springs on Monday. They look forward to rebounding today at home against Weed.

Cross Country meet on October 3rd is cancelled due to weather considerations, rescheduled for Oct 16. They should reconsider as lightning is known to cause athletes to run quicker.
