Policy Title Use of School Property and Equipment Code No. 802.4

The Superintendent of schools shall establish the necessary regulations governing the use of the school buildings or school-owned equipment by non-resident groups. These regulations shall be consistent with the laws of the State of Iowa.

The Board will permit school equipment to be loaned to staff members when such use is directly related to their employment, and to students when the equipment is to be used in connection with their studies or extracurricular activities. Proper controls will be established to ensure the borrower's responsibility for, and return of, all such equipment.
