

HUNTSMEN MESSENGER

Welcome back Huntsmen!!!

We have had a great month getting to re-know our students! As we look forward to another school year, we anticipate that each student will have many successful experiences. We want to remind you that as the middle school staff, we are here to work with you to support and encourage you and your child through the ups and downs of the middle school years. Don't hesitate to share concerns or problems you and your child may have.

FROM THE
Principal

Welcome to the 2022-2023 school year. We are excited to begin this new school year. We have a few new staff members that I would like to introduce:

- Julie Oates - Middle School Counselor
- Lois Hocker - Middle School Secretary
- Lily Hocker - 5th Grade English
- Caley Uhrig - 8th Grade English
- Patrisha Newman - Educational Aide
- Heather Fannin - Educational Aide
- Alyse Klupenger - Social Worker

These individuals bring experience and a passion for educating students. We are excited to have them join our team. If you would like to speak to any of them or any staff member please feel free to contact the middle school office at 740-663-6079.

As educators, we understand individuals learn from their successes as well as their mistakes which is why our motto is B.E. (Better Every Day). We encourage our students and staff to be the best version of themselves each day. Better today than yesterday! Better tomorrow than today! We look forward to working with you and your child this year.

Go Green!

Matt Murphy, Principal

EDUCATIONAL SPOTLIGHT:

Do you know about our Vo-Agricultural in the Middle School? Mr. Dirk Vogel song has provided all Middle school students an opportunity to learn about farming through gardening and raising animals—piglets, rabbits, chickens, and goats. In October, the students made apple butter with apples that were donated from Hirsch’s Fruit Farm. The students had an opportunity to learn first hand about “Farm to Table”.
