Greetings Morrisville-Eaton Middle-High School Students, Parents, and Community:

First and foremost, I would like to use this as an opportunity to introduce myself. For those of you I haven't met yet, my name is Nicholas Rauch, and I am excited to be joining you as the principal at the Middle-High School.

To give a little background, I am joining the team at Morrisville-Eaton with 15 years of experience as an educator. During that time, I've served students as an elementary classroom teacher in the Utica City School District, worked with teachers and administrators as an educational data analyst through the Mohawk Regional Information Center at Madison-Oneida BOCES, and most recently, served the students and community in Waterville for the last 7 school years as the Jr./Sr. High School Principal. Beyond school and the classroom, I reside in Westmoreland with my wife and two children, ages six and two. We enjoy a wide range of outdoor activities in our free time.

As an experienced educational leader, I hold strong beliefs regarding my role as a principal. I believe that it is my place to work collaboratively with students, families, teachers, and staff to educate the whole child, meeting not only students' academic needs, but also their social-emotional needs. I believe in presence as an administrator; you will find me at many school events (often with my family in tow). And finally, I believe in building a positive school culture that allows students to feel a sense of belonging. In the coming years, I hope to build and improve upon Morrisville-Eaton's legacy of success. The work we do is critical to give our students the best opportunities as they move into the workforce, the military, or continue with their post-secondary education.

As we move toward the 2022-2023 school year, I look forward to meeting each and every one of you as I work to become part of the Morrisville-Eaton school community. To that end, I've scheduled a pair of "Meet the Principal" Events. If you are interested and able, please feel free to join me at 6:00 PM on Tuesday, August 2 or at 6:00 PM on Thursday, August 16. These events will be held in the Middle-High School Library.

I am very much looking forward to working with the students and parents at Morrisville-Eaton for the 2022-2023 school year! If you are unable to attend either of the "Meet the Principal" events, please feel free to reach out via phone or email. I can be reached at either (315) 684-9121 or nrauch@m-ecs.org.

Thank you,

Nicholas Rauch | Principal
