

**Muleshoe ISD Board of Trustees generously compensates ALL employees for their 2018/2019 efforts in Common Sense Planning.**

**Comments of gratitude from just a few of the MISD Staff:**

Board members,

“Thank you so much for the generosity and thinking of all of us!!” ~ Jeff Watts

To the MISD School Board,

“Never in my life have I been so appreciated for what the Lord has asked to me do. Words do not express the gratitude I have for the Muleshoe School District.

As a child, growing up in this little town, I never realized just how blessed I was to be educated here. Now, as an adult, I see the value in everything we do. Today, as I am teaching one of my favorite songs with the coolest group of kids in the world, a knock at the door brings such amazement. There is nothing like being surprised with such love. I have been in tears as I realize this gift is ultimately from the Lord, but through the hands of people who love me. I am just so humbled, grateful, and determined to be the light I need to be for these kids more than ever.

The money is incredible, but I always ask myself, “What is the heart behind it?” and I think that is why I am so overwhelmed. The heart of MISD is so big. I wish I could take each one of you home with me to see the change in my son, Garret, as well. His life is so different now, and it is because he attends the high school. He is in all Honors classes and has over a 4.0 GPA. He is happy and he fits in. I could go on and on about this district and the love I have for it. There is nothing like the love of our God and those who respond to His call. I am honored to be a part of this family and grateful for your acceptance.

With an abundant heart,” ~ Mychelle Simms

“Thank you so much for your generosity. It is nice to be appreciated in a world that often does not value what we do.

I know the fiscal responsibility of using tax payer money in the most efficient manner possible is a hard task to take on.
