

Senior Portrait Information For **Jones High School**

Hello Seniors!

Strawbridge Studios, Inc. is our new school picture company for the upcoming school year 2022-2023.

Senior pictures will be conveniently located at Jones High School in the commons area. We have our Senior pictures scheduled on **Thursday August 11th, 22.** Retakes are scheduled on **Tuesday October 18th, 22.** There will be an email sent out before picture day with a sign up procedure for senior pictures. There is a \$29.99 sitting fee if the student signs up online and wants to have a full session with 8 photos. If the student just wants to be in the yearbook, they do not have to sign up online and do not have to pay a sitting fee. They can come in during one of those days. Their picture proofs will be emailed around 3 weeks after picture day, where students can select their yearbook pose then, as well as order any portraits.

Yearbook Portraits Attire:
