

WHAT

S.T.A.R. (Students, Technology, and Robots) is a week-long camp for students entering grades 6-8 Fall 2022. Students will learn about and build robots, further develop their teamwork and communication skills, and go on an industry tour. A robot demonstration will occur on the last day of camp for family and friends.

WHO

Students entering grades 6-8 who are interested in technology and robotics.

WHERE

St. Cloud Technical and Community College

WHEN

Session 1: June 13-17, 2022, 9:00 a.m. - 3:30 p.m.

Session 2: July 11-15, 2022, 9:00 a.m. - 3:30 p.m.

COST

The registration cost is \$225, with a limited number of scholarships available. This includes the equipment to build the robots, equipment for robot demonstration day, an industry tour, and all activities planned by camp staff.
