WHAT
S.T.A.R. (Students, Technology, and Robots) is a two-day camp for students entering grades 3-5 Fall 2022. Students will learn about and build robots and further develop their teamwork and communication skills. A robot demonstration will occur on the last day of camp for family and friends.

WHO
Students entering grades 3-5 who are interested in technology and robotics.

WHERE
St. Cloud Technical and Community College

WHEN
Session 1: June 7 & 8, 2022
Session 2: July 5 & 6, 2022

COST
The registration cost is $85, with a limited number of scholarships available. This includes the equipment to build the robots and all activities planned by camp staff.
