

Smithton R-VI School District is looking for qualified and motivated individuals to lead our sports programs. Our coaches must possess leadership and communication skills. They must set a positive example for their players and our school. Our coaches are to be held to a high standard all year, not just during their sport season. We strive to show good sportsmanship at all times and view each day as a learning opportunity for our student athletes.

Smithton R-VI wants our coaches to inspire and work with our student athletes on improving as individuals and as teams. We believe athletics is a great way for students to build characteristics that will be useful in all aspects of their lives.

Our coaches will help teach our student athletes the techniques required to compete in sports and competitions. Their primary responsibility is improving the performance of their athletes, not winning every game. We want to be successful, but it is not our only goal.

Head Coach – Minimum Requirements: As per MSHSAA By-Law 3.1.1, each interscholastic team must have a head coach who meets the following requirements and who, then, may fill the duties and obligations of a head coach for the team, both under the sport rule code and in regard to the by-laws.

1. A Four-Year College Degree OR Serving as an Approved Assistant Coach (3.1.4.b) (non-Hardship Coach) for a minimum of TWO school years.
2. A Professional Teacher's Certificate OR NFHS Fundamentals of Coaching Course (online) passed prior to coaching. This course is not sport-specific. This is a one-time requirement.
