### CENTRAL CONNECTICUT COAST YMCA

### Sleepaway Camp for campers ages 7-16

At Hi–Rock, your child will find their own home away from home in the Berkshires. Our goal is to help youth grow as individuals, build self esteem, and develop leadership, social, and life skills—all while they have fun in our beautiful mountaintop environment. Each week, campers help create their schedules choosing from over 30 activities including archery, arts and crafts, boating, high ropes, hiking, waterskiing, and more! Our main philosophy is that each camper is an individual and should be treated as such.

# BOLD & GOLD Wilderness Expeditions for campers age 11–17

On these trips, youth are able to develop their fullest leadership potential as positive multicultural leaders in their communities. Our small groups (eight participants and two instructors) travel to some of the most beautiful and natural places in the Northeast to build their community. Using breathtaking wilderness classrooms, our participants return from our programs knowing that the confidence, strength, and friendships they developed will help them meet any challenge on the trail, in the classroom, or back home in their communities.

#### Worried that camp isn't in your budget?

At Hi-Rock, generous donors and subsidies allow us to provide camp at a reduced price. We encourage you to ask about our financial assistance program. Every kid deserves the confidence-building experience of camp. Tell us what you can do, and we will do our best to help.
