May Board Meeting will be Tuesday, May 16th. April 27 will be the reorganizational meeting for the new board.

Elementary Gym Lights – The lights in the gym are old and several are out. Clinton gave a quote for replacement of old lights to LED lights in the amount of \$5330.00.

Motion #2: A motion by Ben Johnson, seconded by Emily Beever, to have Clinton Electric replace gym lights in the amount of \$5330.00. Motion carried.

AED Machines – Our current machines are very old. They are becoming obsolete and we won't be able to get pads for them. The following are prices to replace

the one machine in each building as well as a portable machine to use at outdoor events. Indoor machines 1695.00 each and the outdoor machine is 1200.00 for a total of \$4590.00. Pay for these out of Life Safety.

Motion #3: A motion by Tifanie Hernandez, seconded by Ben Johnson, to purchase AED machines in the amount of \$4590.00. Motion carried.

Erate – Chris has done a good job with this. Applied for free internet. The middle school will receive it but elementary will still receive a charge but erate should cover 90% of this cost. Clearwave can do phones for \$800.00 a month. There would be no cost for the phones themselves. No matter who replaces the phones the buildings will have to be rewired. Checking with 2 companies on doing this.

The District uses Press for our policy updates. Tammy has to do all the updates as they apply to our District. She would like to get Press Plus. This would update the policies for the District. Board thinks this would be a good idea just would like to know the cost.

Set up a building meeting to discuss doors-want to get this paid through the security grant. Need to look at where to put the middle school shed and discuss the middle school fence.

May 22 Picnic-will stagger times like last year. Hosting third grade basketball tournament week of March 20th. Hosting a Glow Dance for K-4 April 15 Work day for Elementary and MS will be April 22nd.
