Greetings, HHS Parents

We’re well into our second nine weeks of school at HHS. With the help of our C.A.T.S. classes, successful Parent/Teacher conferences, and monthly newsletters, our parents and guardians are well informed about what is going on in classes and around campus. We’re working hard to make this school year a success and we appreciate your continued support. The month of October was a great month for our Ninth Grade Academy. They had a mentor assembly about “The Path to Success.” Mentoring is important, not only because of the knowledge and skills students can learn from mentors, but also because mentoring provides

‘Unity Day’ takes on bullying issue

The advent of “Unity Day” as a national focus upon the issue of bullying in schools is a product of the Minnesota Parent Training and Information Center’s PACER project, established in 1976.

The nationwide observance Oct. 25 was a reminder that school districts like the Hope Public Schools view bullying as unacceptable behavior.

“Hope Public Schools recognizes the need for kids to feel accepted and comfortable around their peers,” HPS Superintendent Bobby Hart said.

Bullying is a specific behavior addressed in the HPS District Handbook which is made available to each student and any patron of the district who requests a copy.

“We stand ready to work with students, parents, community members and all other stakeholders to eliminate bullying in our society,” Hart said.

Bullying conduct falls under three particular sections of the HPS handbook, including Prohibited Conduct (4.18), Student Assault or Battery (4.21) and Bullying (4.43).

professional socialization and personal support to facilitate success in graduating from high school and beyond the school walls. Quality mentoring greatly enhances students’ chances for success. The purpose of the workshop was to teach our students about the road to success.

We wanted to inspire our students and help them to understand that hard work, resilience, and perseverance are going to be important tools on their journey to success. The mentors from many different walks of life and professions also allowed them to see that their success, or the road there, doesn’t have to be achieved by the same path nor at the same pace for everyone.

Cash for My Class

The Hope Public Schools will participate in the “Cash for My Class” initiative sponsored by Super1 Foods. The program provides a one percent donation on the total of all purchases of Super 1 Foods branded items when customers purchasing those brands have a special “Cash for My Class” card scanned at the store check-out. Branded items included in the program are Goldenbrook dairy products, Brookshire’s products, Pure Harmony, tippy toes, Top Care, Full Circle, Paws and Super1Foods brands. Information about the specifics of the program for local school campuses is available at super1foods.com/cashformyclass online.
