

# Hope Academy of Public Service

## HAPS STUDENTS RECEIVE SUPERINTENDENT AWARD

HAPS students Grace Easterling, Kennedy Phillips, and Aubrey Hart are pictured above with Supt. Bobby Hart after receiving Superintendent Coins for their organizational work during Veteran's and Patriot's Day. The event was held on September 11, 2018. See article on page 2 for more info.

## CPS STUDENTS VISIT HAPS

### OLIVIA ADAMS AND SHELBY GILBERT

On September 18, 2018, CPS fourth graders visited HAPS to tour our school. One fourth grader said that she was excited. Then we asked her how did she here about HAPS and she said, "We heard we are coming to tour the school." We are so excited for the fourth graders to come next year!

## TAKE A BOOK, SHARE A BOOK

### TARA HENRY

After 119 years, the Hope Star has decided to close their doors. The newspaper is giving HAPS their old newspaper boxes and letting students repurpose them to create Little Lending Libraries. Currently, we have 4 newspaper boxes that will be decorated and placed at different locations in Hope. Clinton Primary School is providing books that will be put into the painted boxes. The system will be "give a book, take a book". This will allow people to share books that they have already read with others in our community. On September 29th HAPS will have a public service day to decorate the Little Lending Libraries. HAPS is asking that you donate one gallon of white rust stop enamel paint, two gallon rust stop enamel paint, two rolls of painters tape, one dozen sponge brushes, one dozen plastic table cloths, and one dozen sponge paint rollers before September 29, 2018. Any ONE donation equals ONE hour of parent volunteer service. Remember, parents and guardians are required to complete FOUR hours of volunteer service per month.

**EAST STUDENTS HOST CELEBRATION FOR PATRIOTS**

**GRACE EASTERLING, AUBREY HART AND KENNEDY PHILLIPS**

On September 11, 2018, HAPS celebrated the service of the patriots and first responders for all of the hard work and sacrifices they made to save our lives from the 9/11 attack. The HAPS EAST students came together to host and celebrate the lives of these great men and women. Students served cookies, punch, and presented a video thanking them for everything they do for our country.

**HAPS CELEBRATES GRANDPARENT'S DAY  
SAVANNAH ADAMS, MADISON PHILLIPS, AND  
KAYLA WYATT**

On September 12th HAPS hosted Grandparent's Day in the cafeteria. The event allowed grandparents to spend time with their grandchildren and visit their school. HAPS served cookies, punch, and water. For entertainment they took pictures in front of the green screen. It was a lot of fun!

**Student Led  
Conferences**

**STUDENT-LED CONFERENCES AT HAPS  
TOMMI GRIGSON AND ADDISON BROWN**

Student-led conferences are all about students taking responsibility. Student-led conferences focuses on how students are doing during the semester and where they want to be when they graduate. This is a chance for students to talk about their grades and a chance for parents to talk to advisory teachers. Students are able to discuss where they are academically and how they feel about campus life.

**CLUB FAIR HELD DURING SLC**

**ANAYAH THORNTON AND JA MIYA SANDERS**

Did you sign up for any clubs during the HAPS Club Fair? If you didn't you missed out! In last month's edition we listed different clubs you can find on campus. Here is a brief description of each club. In Journalism Club we write articles about hot topics of the month. In Robotics Club you build robots and battle between students from around the state of Arkansas. Student Council holds special events during the school year. Lastly, Yearbook Club focuses on taking pictures and designing the yearbook for the end of the year. Be sure that if you signed up for any of these clubs you are prepared to work!

**MONTHLY COMIC  
KENNEDY PHILLIPS**
