

WHEN BEHIND

Work work,
A little harder.

Our spirit won't die,
We're the kids from Elwood High.

You've gotta fight* just*
A little bit harder.

Never give up, never give in,
Come on Pirates, fight to win.

Let's settle down,
Let's settle down,
Let's settle down and fight.

You've gotta burn to keep
the fire alive.
