

1 **4005**

2 **Communication Between the Board and District Employees**

3
4 Employees have the same right to communicate with the board about
5 matters of public concern as other patrons of the district. Regarding
6 employment-related issues, employees must follow the applicable board
7 policies and/or contractual procedures regarding the administrative chain
8 of command, complaints, grievances and other applicable processes.

9
10 When appropriate, the superintendent shall inform employees of official
11 board policies, directives, actions and concerns.
