2 **Restrictions on Employees Receiving Gratuities**

3
4 An employee who, because of his or her employment by the school district,
5 receives any bonus merchandise or gift with a value over \$50.00 must
6 disclose the receipt of such gift to the superintendent, who will then report
7 that gift to the board. The superintendent, at his or her discretion, may
8 require that the gift become the property of the district. No certificated staff
9 member may accept any gifts which will impair the professional judgement
10 of the recipient.

11
12 Employees are directed to discourage merchants from offering bonus
13 paraphernalia in exchange for the school's patronage.
