News from the Superintendent

Dear Patrons,

Fall is officially upon us. It's been cooler the last couple of weeks and the trees are changing. Football games require another layer, or two, and fall sports/activity seasons are coming to an end soon. Hope you all are enjoying the cooler weather.

September 24th we had conferences at all three buildings in the district. At the grade school and middle school there were parent/teacher conferences. Again, this time at CCHS we did student led conferences where the students explain to the parents what's happening, their goals, and why they're where they are. Again, in all three buildings we had great turn-out and from all accounts the conferences were a positive experience for students, families, and USD 224 staff. Thank you for taking time to come visit about your students' progress.

Last year around this time we were sending surveys to students, parents, community members, and staff. Our District Leadership Team (DLT) took those surveys and found some commonalities in the results. We then fit those commonalities under two headings "Rigor" and "Relationships". This year our DLT has already begun coming up with building goals that we can form into district goals with building action steps to help meet the areas of Rigor and Relationships. You'll see goals with action steps being publicized late in the school year. Just wanted you all to be aware that the surveys you filled out last year are being taken seriously and steps are being put into place to address areas of weakness while still building on our strengths.

As always, if you have any questions I'd love to visit with you. Have a great October.

Sincerely,
Art Baker

October Student of the Month

Congratulations to the October Student of the Month, Emily Fay Genereux!!

Emily is a Junior at Clifton-Clyde High School. She is the daughter of Bill and Wendy Genereux of Clyde. She is participating in FBLA, FCCLA, NHS, Student Council, Band, and St. John's CYO in Clyde. This year she is Student Council Vice President. She attended National FBLA Conference last summer. Her freshman year, Emily received a Outstanding (1) rating on her saxophone solo at League, and received an Excellent (2) rating at Districts. Her Sophomore year, she received a Outstanding (1) rating on her saxophone solo at Districts, and was the first in five years to qualify for state, where she received an Excellent (2) rating on her solo. In the summer she plays traveling softball. Her sophomore year she and her team placed 4th at Nationals. Her future plans include attending Kansas State University to major in Microbiology.

Rescheduled bonfire will be after the CCHS home football game Thursday, October 25th!

#Socktober

-Every night in the United States an estimated 600,000 people live on the streets.
-This October, SoulPancake and Kid President want 2 million people to prove that even the smallest acts of love, like donating a pair of socks, can make a big difference in the lives of our neighbors who are homeless.
