THERES NOTHING BETTER THAN BEING A TROJAN

Summer Camp 2022

Coaches at Southwest RV are excited to once again hold our summer boys basketball camp! This year will include two different sessions of camp: the first session will be upcoming 2nd through 5th graders and a second session will be our upcoming 6th through 8th graders. Students in summer school will have the opportunity to attend during their respective camp time.

Players will have the opportunity to learn from all of our coaching staff here at Southwest as well as from some of our current high school players. Campers will leave with several skill development drills that they will hopefully carry on throughout summer; as well as some new technology uses for improving their individual game. There will also be an awards presentation on the last day of camp which all are welcome to attend.

We hope to see you this summer June 1st-June 3rd. Please feel free to contact any of the coaches regarding questions for this camp.
