Principal's Message

Good Afternoon Cossitt,

A mere 8 years ago, I stood upon one of our exit doors at 11:20 and watched a relatively small but joyful group of students leave the building to head homeward for lunch. Upon re-entering the building, I couldn't help but quiz the office staff with the inevitable question of: Are they coming back?

Watching students going home for lunch felt like an exercise in time travel back to another era. My era.

For some of our students, currently, the evolution in the going home for lunch narrative has shifted from going home for lunch to going out to lunch . . . with our friends . . .downtown.

At the risk of over generalizing on behalf of our most recent lunch block (May 5th), we did see almost 100 students leave the building for lunch, with almost half that number coming from 6th grade. We can affirm that they did all leave with parent permission.

While the overwhelming majority continue to properly represent our school when they leave for lunch, there were some concerns shared today about how some of our older students were not using appropriate caution getting to and from the downtown area.

You should by now have received an email from our office outlining some very timely reminders regarding expectations for leaving school grounds to go for lunch. Please continue to remind your children the importance of following all of these. At the end of the day, this is a definite matter of safety. Knowing how much student safety represents common ground between home and school, we appreciate your support.

Sincerely,

Mr. Michael Michowski

Principal, Cossitt Elementary
