Principal's Message

Good afternoon Cossitt,

For what will likely be the final share out for this school year

Based on my very early wake up schedule, I have historically needed to do my morning runs on a treadmill. Because of that routine, I am much more likely to hit the treadmill before I go running outdoors.

For no great and compelling reason, I woke up this morning and went for an outdoor run. It was just early enough to have caught all the sounds and smells of an early Sunday morning. There were birds chirping, singing, and shouting every step of the way and around every corner, there were a myriad of flower scents fighting for supremacy.

What was so revelatory and compelling related to all of this was the realization that this plays out each and every morning, whether we are paying attention or not.

Our recently concluded End Of The Year Event always seems to arrive at just the right moment with the perfect pre-summer reminder. Despite all the energy and commotion surrounding the overall event, if you are lucky enough to be able to stop, observe and take it all in, the day of this event is the epitome of unbounded joy, love and laughter.

We don't often get to bear witness to such sights in our daily lives. Not because they don't happen everyday but because we have become treadmill runners instead of outside runners.

As we formally wind down the 22-23 school year and transition into the summer bliss, I would encourage all of our families to purposefully seek to create summer time and space to soak up those precious moments when our children are doing nothing more than sharing the sounds of their chirping, singing and shouting. In between all the lake cabin visits and the cross country travels, the single solitary voice of each and every one of our children, each and every day, is there for us.

Here is hoping for a summer of Stop, Look, and Listen.

Sincerely,

Mr. Michael Michowski

Principal, Cossitt Elementary
