Thursday, February 16, 4:00 - 5:00 p.m.

Parents and caregivers, there's a new club for grades 4-6: Graphic Novel Book Club!

Graphic novels are so popular, and for good reason! They have been shown to improve overall reading comprehension, as well as be a useful tool for reluctant readers. They are easily digestible and extremely rewarding.

Visual learners and those who may need some extra confidence in their reading skills often excel with this genre.
