Parents:

This week we are kicking off our fall PTO fundraiser. We appreciate all of your cooperation and work in this important activity. The PTO helps to support programs and provide opportunities for our students in grades K-6. Each year we hope to raise \$10,000 to fund the PTO programs. Some of the recent PTO contributions and programs include:

- \$5,000 for new seating in the elementary library
- Transportation for students to end of the year field trips
- Annual homecoming inflatables following the homecoming parade
- Purchase of Patriot Pride prizes and Pride t-shirts
- \$10,000 donation to kick off the fundraising for the new elementary playground
- Teacher requests and stipends

These programs and activities would not be possible without the support of our PTO.

This year we will once again be selling items from Great Plains Fundraising. In addition, this year we will be selling soup from "The Soup Lady From Nebraska." Students can sell from both of the fundraisers **and all checks can be made out to HBC PTO**. If costumers purchase from both of the fundraising vendors they can combine their purchase in one check.

We will be selling for the fundraiser over the next two weeks and orders will be due on October 26. Thanks so much for your help and support of our school!

Subject: In-School Student Flu Shot Clinic

Each year, the flu leads to approximately 36,000 deaths and 200,000 hospitalizations. The best way to prevent the flu is to be vaccinated. Get your child a flu shot!

The time of year is once again upon us to start thinking about protecting ourselves from the flu. We are very pleased to announce that Sanford Luverne Clinic, District 671, and the Luverne Area Community Foundation will once again be offering flu vaccines to all children enrolled in grades K-12 in the District 671 school system.

We will bill your insurance for the flu vaccine if you have coverage. However, through collaboration with the Luverne Area Community Foundation, all out-of-pocket and non-insured costs will be covered for these school-aged children.

The in-school flu shot clinic will be held on Tuesday, October 16, 2018.

This year, live influenza vaccine (FluMist) will **NOT** be offered. We will be offering only the injectable form (shot) of vaccine to our patients.

To receive the flu shot, the attached consent form must be completed and returned to the school by October 12, 2018.

For more information about this free flu shot clinic, visit the Hills-Beaver Creek School website at www.hbcpatriots.com or contact Lois Leenderts, RN, school nurse, at l.leenderts@isd671.net or (507) 962-3240, ext 12 (high school) or (507)673-2541, ext 12 (elementary school).

Thank you!
