

It is the mission of the Bowie Unified School District, together with our unique multicultural communities, to provide and expand fair and equitable quality educational opportunities for learners so that they may grow and succeed in a global society.

**Student-Parent-Teacher Compact
2022-2023**

As stated in our mission statement above, we want to partner with students and families to provide quality educational opportunities for learners. Therefore, we commit to the following:

As a student,

- I will be positive, prepared and ready to learn
- I will return completed assignments on time
- I will respect others
- I will respect the academic environment and follow school rules
- I will display my Panther Pride!

As a parent,

- I will have my child attend school daily and on time
- I will ensure that my child is in good health, well-rested and well-fed
- I will communicate with my child's teacher(s) on a regular basis
- I will teach my child to be respectful, responsible and accountable for his/her learning and behavior
- I will model good attitudes about school and provide a quiet learning environment at home

As a teacher,

- I will provide a positive and safe learning environment where all students are respected
- I will foster a love for learning while challenging students to reach their potential
- I will teach a curriculum which incorporates the district and state standards
- I will communicate with parents and students on a regular basis
- I will enforce the school's discipline policies in a consistent manner
