Comments: A good finish to the season for our Jr High! These were pretty much our best times other than a course at Rock Creek that might have been a little too short. Rebekah and Sienna earned league medals and we just missed out on a few more. All of this group has come a long way since the start of the year. By the end of the season, our short workouts were 3 miles long and they worked up to as much as 6.5 miles! We hope to see them all back next year! Thank you to all the parents for your support throughout the season, you gave us a good group of kids to work with.
