As we begin a new quarter, please be mindful that each new start brings with it an opportunity to set goals and begin anew in different aspects. While goals are specific to each student, they can help keep families motivated and accountable if you set them together. When grade cards come home later this week, please be sure to sit down and review them together. If you have questions, please email the teachers directly. We look forward to having you and your student attend PT conferences later this month.

Have a great week!
Blessings,
Mrs. Williams

One Day. Twice the Impact!

SOCKTOBER

Teen Leadership is challenging the whole school to bring in NEW socks for their "socktober" sock drive which lasts until October 22. At the TLC conference on October 24, students will prepare the socks for use in Nursing Homes and Hospitals as "slipper socks" for the residents/patients to wear during the cold winter months.

We would like to challenge the school to bring in **1-2 pairs of NEW socks per person**, reaching a goal of 500 pairs of socks. If we make our goal, we will sponsor a "sock hop" throw-back dance after a basketball game with pizza for all who attend. Also, if you bring in at least 1 pair of socks, we will have a day when you can wear any socks you would like to school, likely around Halloween. The sock boxes will be re-located to Mrs. Schenk's room so students can receive credit for their donation.

POP TABS

Teen Leadership Class is participating in the "Pop Tab Palooza", an event in which we will be collecting pop tabs which are then cashed in with all proceeds going to support Ronald McDonald Houses in the Cleveland area. Ronald McDonald Houses enable families to focus on the health of their child by providing a bit of normalcy with home-cooked meals, comfortable beds, and recreational activities to enjoy during the hospital stay of their family member.

A student challenge will be announced at a later date. We hope to collect pop tabs from students, faculty, and families, and will be contacting other places as well to collect as many pop tabs as possible. **Every handful counts!**
