C. Reports

1. Member Reports

a) Parent - None

b) Community - None

c) Teacher - None

d) Classified - None

e) Student - None

2. Administrative Report

Finals wrapped up. Covid has picked up a bit. Some students will have to do finals in the summer.

Summer projects - Ticket booth and concessions, cameras, wifi, scoreboard up by June 30th. Concrete will be finished tomorrow. Painting counseling color. STUCO bought a newly used conex for more storage, windscreen will be put on the tennis courts, weight room has three new racks with Andrada blue Mav logo.

Graduation went well and was online for outside viewers to see.

New Hires

*We hired one new para and we are looking at four new graduates who we might bring in to work as paras. We need a physics teacher, we have Ms. shumway for biology, Algebra possibly Gino Gerasol, health and leadership Mr. Chavez, photography still working on, SPED teacher maybe hiring a para with a degree. District can help with master degree if a classified staff want to become a teacher, possible (Tristan Feery). Mr. Mayeux, US Government teacher will be transferring to CHS. For English/History teacher, we have interviewed three people and have another interview next week. We hired two new counselors Ryan Le was a counselor at a middle school. Randy Virden hired for college and career and credit recovery. Jasmin Hernandez coming back to teach Math. Dance teacher and counseling secretary is currently open.

D. Call to the Public - None

E. Recognitions

Mr. Parks recognized all teachers and classified staff who stepped in to help with graduation, it went well.

Mrs. Johnson recognizes PTO who did a great job this year. It was awesome, they did a lot of work.

II. Old Business

A. No Old Business

III. New Business

A. [Literature Review Committee Books](#) (INFORM/DISCUSSION)

Books that are part of the review process. Site council gets input. These books were approved before but are contentious. One page where the boy talks about masturbabation. Only page with sexual content. Other book is about war and very graphic. Whole vietnam experience. Maybe age restrictions. 2nd book difficult to read, fist one is odd and semi immature. Does anyone have an issue no but the mention of masturbation stirs up contention. Students will have an alternative assignment if not comfortable with the books.

B. [301 Goal](#) & [Leadership Goal Results Review](#) (ACTION)

Leadership helped bridge the gap between students

Ms. Gora motions to approve, Mr. Nelson seconds, all in favor.

C. [Field Trips](#) (ACTION)

Mrs. Wolfe (Reed) and Ms. Fisher would like to take nine students to the Copper Queen Hotel overnight in the summer. Mrs. Gora motions to approve, Mr. Nelson seconds, all in favor.

D. Athletics Update (INFORM/DISCUSSION)

Hold off on track and field and beach volleyball due to funding hoping to bring back next year. We might have funds for those the following year. We only had three students interested in track and field and will advertise better for next year. Track and field is an expensive sport. We will have wrestling, basketball, spiritline (coaching will be Mrs. Coles. We will also have cross country, tennis, golf and

esports. Registration for sports is online. We are looking into having a physical night in the summer for students.

E. [Mavs Win Pledge](#) (**ACTION**)

If an athlete commits a crime outside of school, they are currently not held back from playing sports. This would hold the students accountable to a higher standard to play sports. For example, tobacco, nicotine, alcohol, etc., in and out of school. Anything they do can be congruent to sports. First, second and third violations for each additional violation will have additional consequences.

Mr. Story motions to approve, Mrs. Gora seconds, all in favor.

F. Student Handbook Review (**INFORM/DISCUSSION**)

Finals - all students will take a final, this includes AP students if students are in an AP class.

Tardy policy, we could not keep up with the volume of students coming in tardy. We are still working on a better solution. Attendance matters, we are losing that culture and we are trying to get it back. Since covid, this has caused a lot of students to want to work from home and this has been a bit of a culture thing. For example, we have had students out for 49 days but are still passing the class.

G. Graduation Venue (**Action**)

Mr. Parks would like to have graduation next year again at Pantano Christian Church. There should be enough room for 175 seniors and families for the next two years according to our numbers. Mrs. Gora attended graduation and loved the venue. Saturday dates for graduation are on the board approved calendars. Mrs. Gora motions to approve and Mrs. Colter seconds, all in favor.

IV. Adjournment (**ACTION**)

Mr. Story motioned to adjourn, Mr. Nelson seconded, all in favor. Meeting adjourned at 6:39 PM.
