## II. Old Business

A. None at this time

## III. New Business

### A. Fund 318 EPU Expenditure (**ACTION**)

Money for schools left from covid funds. Mr. Parks would like to get some new cafeteria tables and more outdoor tables for students to use. He would like to order ten cafeteria and six outdoor tables. We would move more tables out by basketball courts. Maybe order high top seating in the commons upstairs as well. Also any other remaining funds would like to order additional sets of free weights and more heavy bar weights (100 lbs) for students to use.

1. Cafeteria Tables and Outside Picnic Tables
2. Remaining funds

Mr. Baughman motions to approve, Mrs. Gora seconds, all in favor.

### B. Coaches Stipends (**ACTION**)

1. Wrestling - Dan Brown, Boys Basketball - Rufus Twito, Boys Soccer - David Cruz Ramierz, Girls Soccer - Jason Coloma

We would like a motion for approval for coaches' stipends in sports. All head coaches would receive \$3000. The only exception would be for wrestling. Mr. Brown has both boys and girls wrestling team and may be bumped up a bit since it is double the work. We were not able to get an assistant coach and therefore recommend Mr. Brown's increase to \$1000. Mr. Twito would receive \$3000, Mr. Cruz-Ramirez \$3000 and Mr. Coloma \$3000 as well. Not sure yet but may also bring in an assistant coach for basketball.

Mrs. Williams potter motions to approve stipend for coaches, Ms Coulter seconds, all in favor.
