# Federal Programs

Title I and II funds are being used to provide services above and beyond those required for all students in elementary, as well as technology supplies and software. ESA funds are being used to fund after school tutoring/remediation, Dyslexia identifications, Response to Intervention, and to purchase much needed technology upgrades to advance learning. We also pay for our SRO out of ESA funds. Title V(REAP) is used to purchase technology and school safety needs. PD, ALE, ELL funds are categorical funds that are spent in their own areas.

# Statement of Equity

South Pike County School District is an equal educational Title VI and Title IX school district. No student in the district shall, on the grounds of race, color, religion, national origin, sex, age, or disability be excluded from participation in, or activity sponsored by the district. Our Equity Coordinator is Tanya Wilcher and Foster/Homeless Liaison is Traci Jones.

# Technology

South Pike County School District is meeting the requirements of the Children's Internet Protection Act, which is in place as a technology and internet safety measure. This includes blocking or filtering internet access for all users, helping to prevent users from accessing material that is harmful to minors. Details of our compliance and technology policies can be found in the SPCSD Technology Handbook posted on the district website at [www.rattlers.org](http://www.rattlers.org).

# It's Official!

Murfreesboro High School and Murfreesboro Elementary School have again been recognized by Apple as Apple Distinguished Schools. This is a 3-year designation and is the third for MHS and the second for MES. There are events planned in November to celebrate this recognition and highlight the hard work of our teachers and students.

## Distinguished School
