7. **BOARD COMMENTS**
  - ✓ Director Leyba appreciates everyone putting in the work to really think about the calendar and said she thinks there are discussions across all sectors about equity and inclusion and making sure that we do that calendar. She said we talk about parent engagement and families but you can't box them in that way so she appreciates staff taking time to consider that. She knows that is not easy and appreciates we went there and looks forward to the calendar in May.
  - ✓ Director Backes said anytime we can use things to our favor, like a survey, to make sure we understand where faculty is, is going to be the best path. She wants to make sure that one extra step is taken and believes that is the best approach.
