

Learner-driven Instructional Framework

- Ensures all students have access to high-quality instructional materials
- Provides advanced academic coursework to prepare students for high school transition
- Emphasis on college and career discovery
- Provide opportunities to earn high school credits, allowing more time in high school for Dual Credits and CTE
- Supports students' needs through differentiation and scaffolding

Accelerated Instruction

OUR MISSION

Our mission is to prepare college and career-ready students for postsecondary success.

Career Discovery Academy

OUR VISION

We are a premier district of choice that meets the diverse needs of all students by creating an inclusive community that fosters a strong sense of self-worth.

Career Discovery

- Provides Self-Assessment Interest Survey to help with career exploration
- Provides 21st Century Career and Technical Education Test Drive through simulations
- Helps students explore career opportunities through job shadowing
- Provides exposure to new career options with guest speakers
- Provides leadership training and mentorship

College Discovery

- Creates a seamless transition from middle school to the Early College Academy at Empowerment High School
- Reduces barriers to college access with early academic counseling for college preparation
- Allows students to earn high school credits while in middle school
- Increases college and career awareness through college tours
- Provides academic and social support services through dedicated staff
- Develops critical soft skills needed for college and career success
