

## **Bonita Homework Plan 2018-2019**

### **Purpose of Homework**

The purpose of homework is to increase knowledge, inspire creativity, improve ability and practice skills. Meaningful and appropriate homework is a relevant extension of the classroom that can positively affect student learning.

### **Amount of Time Spent on Homework**

Students in Kindergarten through fifth grade will be assigned homework on an as needed basis. Homework may consist but not limited to reading, soft skills development, and a spiral review of math problems. Approximate time per grade level: K-2=20 minutes and 3-5=30 minutes

### **Students Responsibilities:**

Students will complete and return homework as assigned.

Students will listen carefully to directions and ask meaningful questions regarding homework.

Students will do their own work.

Students will use time wisely.

### **Teacher Responsibilities:**

Teacher will review the homework assignment with student prior to sending it home.

Teacher will teach strategies that help students allocate their time wisely, meet deadlines, and develop good personal study habits.

Teacher will inform parents about homework policies, procedures and expectations.

### **Parent/Guardian Responsibilities**

Parent will provide a quiet space for homework completion.

Parents will monitor time management and productivity.

Parents will communicate with teachers if child demonstrates the inability to complete homework.

### **Communication with Parents/Guardians on Homework**

1. School website
