

Summer Reading Challenge

1st Graders

The students at Allison Elementary School have done an outstanding job this year with their Accelerated Reading and monthly reading challenges. We are encouraging our students to continue to grow over the summer through our Summer Reading Challenge.

The expectation for this challenge is to read the book according to your child's next year's grade level and complete the book review and activities that are attached.

Allison Elementary School is not able to provide a copy to each student, but we have purchased ten copies of each book that can be checked out from the Lynn Memorial Library. Please be sure to check them out and return the books so other students have an opportunity to read. These books can also be purchased from Amazon.com if preferred.

The book review activities for the Summer Reading Challenge are attached to this letter. Please return completed forms to your 2023-2024 homeroom teacher by **Friday, August 25th**. Students who complete the reading challenge will receive a special reward when school resumes next fall.

We hope you continue to read over the summer. Reading for enjoyment is a wonderful pastime. It lets you go to many new places, meet several new characters, and go on any adventure you choose. So, stop by the library to get started with your Summer Reading Challenge.

Best Wishes,

ATA Library Committee
