

# The Program

The AAA School Safety Patrol program has been protecting children going to and from school since 1920. Millions of young people across the United States and 30 other nations worldwide volunteer their time each day to help ensure the safety of their peers.

AAA Ohio Auto Club has been helping former School Safety Patrol members further their education after graduation through the AAA School Safety Patrol \$1,000 Grant program. Each year ten \$1,000 grants are presented to high school seniors who once participated in the AAA School Safety Patrol program. To date, more than 240 high school seniors have been awarded over \$230,000 since the program started during the 1987-1988 school year.
